UNIFORM AND SHOE VENDORS

Uniform clothing may be purchased with an authorized uniform voucher at:
Don's Group Attire
5216 First Avenue S, Seattle WA 98108
206-767-0366
Monday-Friday 9 a.m.-5 p.m.
1st & 3rd Saturday of each month: 10 a.m.-2 p.m.
(Except during holidays; call to confirm hours.)

Uniform shoes may be purchased with an authorized uniform voucher at: *Red Wing Shoes*
(Various locations. Check poster at base for authorized contract locations and business hours.)

Rules of the Transit Operator Made Simple

Safety

- Obey traffic laws at all times.
- Read the road ahead.
- Expect the unexpected.
- Maintain correct following distance at all speeds.
- In turns: go deep, slow down to 3-5 mph, and square off most turns. Rock and roll to see around the pillar and other blind spots.
- Go slow enough so you can stop for an unexpected pedestrian.
- Brake and accelerate smoothly at all times.
- Be aware of traffic signals, school zones, and pedestrians.
- Do not allow customers to exit the coach in an intersection or a traffic lane if the coach's right side is not fully protected.
- Report accidents and injuries ASAP to the coordinator and fill out an accident report at the base before you leave.
- Document on-job injuries and know your responsibilities if you are injured.
- Keep your CDL and medical certification up-to-date and with you.
- Stay in your seat. Your radio is there to help you.
- Do not cover or disable security cameras.

Service

- Greet all boarding customers verbally and make eye contact. Set a positive tone.
- Answer questions. If you don't know, refer customers to 206-553-3000.
- State the fare only once and only if you feel it is safe to do so.
- Say goodbye to customers leaving the bus, create a positive relationship.
- Accommodate customers who do not have money to pay. Offer them a transfer if needed.
- Do not refuse service unless the customer is an immediate hazard to yourself or others.
- Do not touch, hit or push passengers.
- De-escalate conflicts; disengage from disagreements. Learn to "let it go".
- You are a peacekeeper, call for assistance when needed.
- Keep customers informed of any delays, reroutes or unexpected changes.
- Document security incidents.

Schedule

- Call in as soon as you know you will not be on time.
- Wear the appropriate uniform (look sharp!).
- Read the Operations Bulletins, Operations Policy Bulletins, Base Bulletins and Reroute board daily.
- Do your pre-trip inspection.
- Sign in, log on and leave the base on time with the correct coach.
- If you'll be late leaving, call the Transit Control Center (TCC) before your leave time.
- Do not arrive early to time points unless specified on your run card.
- Report any schedule that needs improvement on an Operator Service Facilities Report (OSFR).
- Do not hurry when late, drive safely.
- Check your coach at each layover and before returning to the base.
- Report suspicious persons or packages.

Good Judgment

- Prepare your bus for safe operation to please your customers and yourself.
- When using the radio, identify your route/run, location, direction, and tell them what you need. Be sure to answer all questions in a concise and professional manner. Review unusual events with your chief.
- File and get paid for paperwork as needed: For coach repair, poor schedules or any changes that could be made to increase safety and enhance service in the system.
- Have a shop steward assist you with paperwork; tell the truth in person and on forms.
- Cooperate with dispatchers, coordinators, service supervisors, chiefs, and any emergency responders. Follow direction given as long as it is safe to do so.

Safe Place Is a Program That Helps Get Youths (12-17 Years Old) Off the Street.

If a youth boards your bus asking for help, ask them "are you looking for a place to sleep tonight?" If they answer yes, please call the coordinator. The coordinator will ask you to get the youth's name and age, and will then give you directions on how to proceed. Reassure the youth that help is on the way. Youths boarding a coach to find a safe place do not need to pay a fare. Please fill out an incident report.

Comfort Station Information

Comfort station alerts contain additional information and can be found posted at base. These posts include items such as access codes, hours for individual buildings at the University of Washington and walking directions to locate comfort stations. A web map of comfort stations is available at MetroOperations.com. For questions or issues with comfort stations, contact the Comfort Station Coordinator, Ruthann Dunn, at Station.Comfort@kingcounty.gov or 206-477-0347.

Changes to this Edition of the Route Book

Welcome to the March 2022 edition of the Route Book. The 83 Operators of the Month from 2021 are honored throughout the book with their names, portraits, and advice for other operators.

This service change sees the beginning of Metro operation of Sound Transit Route 566, previously operated by Pierce Transit. This edition of the Route Book includes a new map and turn-by-turn directions for the 566. There is an additional new map in the Common Reroutes section for the Alaskan Way Reroute, which provides an alternative option for coaches traveling from the CBD to West Seattle during periods of heavy traffic on southbound SR-99 and may be used at the direction of the TCC.

The special operating instructions for Vashon Island service, located in the Route Book immediately after the Route 119 map, has been reduced from four pages to two. Route-specific information was moved to the turn-by-turn pages for Routes 116, 118, and 119, and information regarding express service between Vashon and Seattle was removed due to the ongoing suspesion of that service. Turn-by-turn directions and maps for all other suspended routes remain in the Route Book.

The maps and turn-by-turn directions in this edition have been improved, thanks to operators, supervisors, and other Metro staff who wrote in to report small typos, outdated route connections, and other minor errors.

Project Team

Phil DeVault	206-477-6025	phil.devault@kingcounty.gov
Johnathon Futch	206-477-4942	jfutch@kingcounty.gov

Richard Wisti	206-263-5909	rwisti@kingcounty.gov

Stay safe out there, and thank you for your service.

Letter from the Director of Bus Operations

Transit is a human right. Our service gets people to work, to medical appointments, and to get food. It is an essential service that every person deserves. When our communities think of Metro, first and foremost they think of you, the operators. You have represented Metro's commitment to provide this basic human right with grace, kindness, and commitment. Thank you.

We have faced continued challenges in the last period with the emergence of the new COVID variants. These conditions have strained our agency and our workforce. Through all of this, you have continued to impress the county we serve. This is evident in the commendations we receive every day. I appreciate your hard work and commitment in these trying times.

Despite the challenges of this period, you have helped Metro move forward with many improvements. You have driven safely as is shown by the decreasing number of preventable accidents and customer injuries per million miles. By entering reports in SSaM you help Metro to respond quicker and more appropriately to incidents. Electronic sign-in improves our record-keeping and reduces the use of paper. Many operators have also taken advantage of new access to employee benefits like email and SharePoint. Thank you for continuously learning and adapting, even during these challenging times.

Metro's future includes moving toward an electric fleet as a key aspect of demonstrating our commitment to sustainability. We plan to open an eighth operational base which will allow us to better serve areas in South King County. Service will continue to expand as we recover from the pandemic and understand the new transit requirements of the county. However, each of these advances starts with you, the operator.

Thank you for all you do. You make Metro the excellent transit agency that it is.

Timothy D Flanagan

Tim Flanagan
Director, Bus Operations – King County Metro Transit

Letter from the Acting Service Planning Supervisor

In contrast to recent service changes, March will include a small number of service modifications. Changes in March will focus on better balancing operational capacity between bases, schedule refinements, and minor service changes driven by funding from the City of Seattle.

The March service change includes:

- Movement of several routes between Atlantic, Central, Ryerson, and North bases to better balance operational capacity among campuses. Routes 2 and 13 are among these and will move to Central Base and operate with diesel-hybrid buses to better accommodate construction impacts for the future RapidRide G Line.

- Schedule refinements to improve operations and help ensure operators have access and time to use a comfort station at scheduled layovers. These improvements are being implemented as part of the program to update schedules with new tools provided by the Comfort Station Management for Operators System.

- Minor trip increases to several routes operating in Seattle that are funded by the 2020 Seattle Transit Measure. This small number of additional trips will support Metro routes meeting the Seattle's frequent transit definition.

- Changes to bay assignments for several routes serving Renton Transit Centers.

Throughout this past year there has been no shortage of challenges to keeping Metro and our community moving. We thank you for continually demonstrating your commitment to your community and each other. As we look forwards towards continuing our recovery from the pandemic, we welcome you to share your input and knowledge. Contact information is provided below.

We appreciate your dedication to providing the mobility that we all rely on. Thank you for delivering the service that allows our communities to get where they need to go and move from recovering to thriving.

Graydon Newman

Acting Service Planning Supervisor

What's New

Major Route Changes

No major route changes for the March 2022 Service Change.

New Routes

566	Route 566 will provide weekday peak service between Auburn and Redmond Technology Station.

Minor Route Changes

2, 13, 15, 17, 18, 19, 24, 33, 674, 994	Northbound routing revised to use Denny Way instead of Broad St.
522	Last stop for southbound trips will be at Roosevelt Station.

Route Movement

2	Route 2 will move to Central Base.
13	Route 13 will move to Central Base.
15	Route 15 will move to Ryerson Base.
16	Route 16 will move to North Base.
17	Route 17 will move to Ryerson Base.
18	Route 18 will move to Ryerson Base.
79	Route 79 will move to North Base.
566	New Route 566 will operate out of East Base.

Route Qualification Table

566	Route 566 is a new route and requires qualification.

OPERATORS OF THE MONTH
RYERSON BASE

Madelyn Rosenber
January 2021

"Remember to breathe, always keep your sense of humor, and get home safely."

Salvador Cortes
February 2021

"Don't take it personal and expect the unexpected. Show up and do your part, Metro is a great place to work."

Terry Watkins
March 2021

"Your good days outweigh your bad days. Enjoy your job and treat people how you would like to be treated."

Tesfaye Gudeta
April 2021

"Don't stress, keep it simple, and take care of your heart."

Ceasar Bahta
May 2021

"Don't take the disrespect from passengers personally."

Dawn Sly
June 2021

"Remember that the only thing you can control is yourself. You choose how to react to every situation."

Note: Due to COVID-19 precautions, Operator of the Month portraits did not resume until late spring 2021.

Safety

Safe arrival is always more important than operating on scheduled time. It is the operator's responsibility to drive in a manner that anticipates accident producing situations, and take reasonable and prudent actions to avoid a collision or an incident. Operators are responsible for the riding safety of their customers during the entire ride. This includes boarding and alighting.

Under Ideal Conditions

Maintain a minimum of three feet between coach and stationary objects or other vehicles and position your coach slightly left in your lane. Check clearance in the right mirror when passing. When in doubt, leave more of a cushion on your right side. Increase your clearance when passing bicyclists. When entering and leaving zones, scan the area before entering. Be aware of poles, trees and the zone flag and how close they are to your path of travel.

Avoiding Pedestrian Accidents

Pedestrian awareness is a mandatory part of operating a transit coach. Exercise an abundance of caution, especially when making turns and in darkness or twilight hours. Scan the complete intersection and make a mental note of where the pedestrians are, check each corner for pedestrian activity and square your turns. Check each mirror before, during and after each turn. Keep your speed at 3-5 mph and rock and roll in your seat before and during each turn. Doing all of this slows you down and reduces the potential for a pedestrian to be hidden in a blind spot. Stop at least three feet back from the stop bar. This gives you a better view of the corners of the intersection and allows the pedestrians to safely walk in the crosswalk in front of you. Wait two seconds after the light turns green or the vehicle in front of you moves. Remembering pedestrians are often distracted and may not even know you are there is very important. Watch out for them.

Awareness Areas

A map of awareness areas, locations of frequent transit accidents, is on the following page. These awareness areas are also noted on the route page street directions of affected routes in a green box.

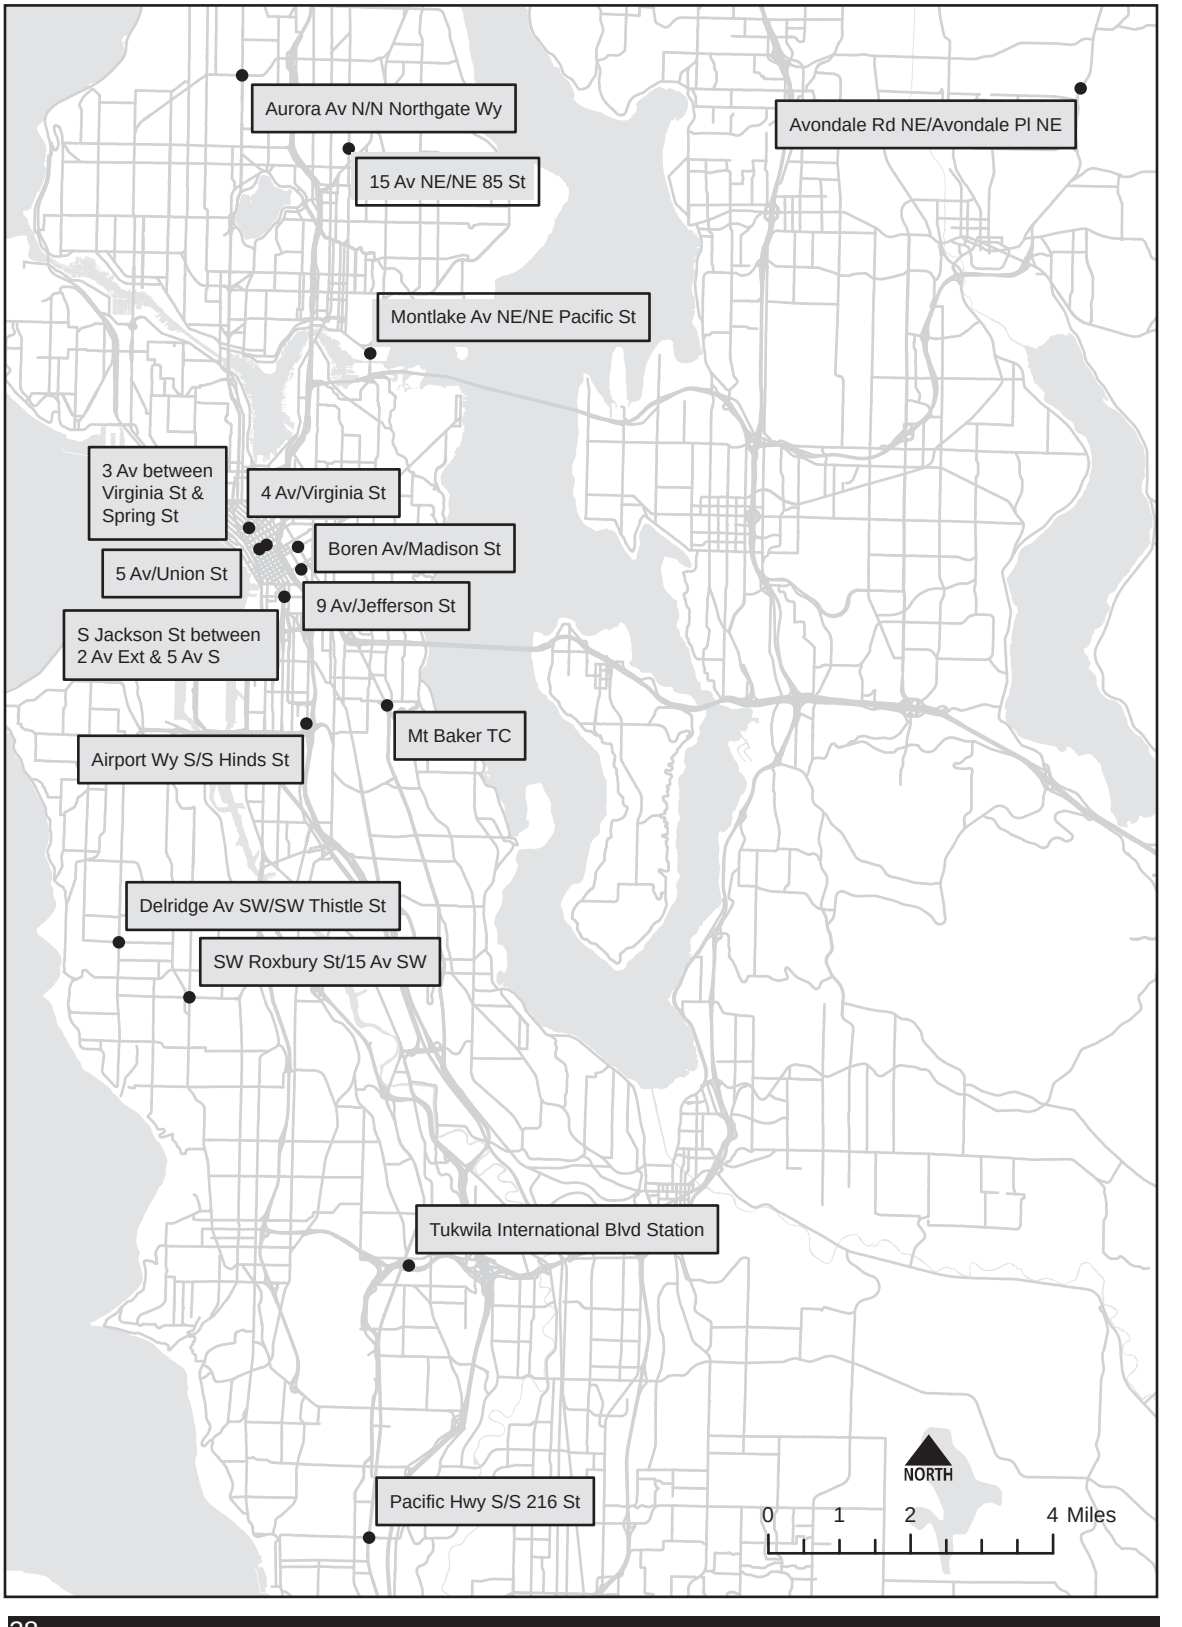

Pothole Reporting

To report potholes for

- Seattle, visit http://www.seattle.gov/transportation/potholereport.htm
- Unincorporated King County, call 206-296-8100

For other jurisdictions contact the associated city management.

Awareness Areas

Base Routes

This section lists the routes to be followed between various layovers and bases. Guidelines for use:

1. This section is arranged in alphabetical order by base (Bellevue and East are collecticely listed as “East Campus”) with the “From Base” routing followed by the “To Base” routing.
2. The first page of each base contains a list of common routes that are printed in bold type. Each common route has a title, e.g., “Via S/B I-5,” which is referred to in the detailed base routes.
3. The base route headers are described by “on-street” first followed by “cross-street” second. For example, 6 Av S/S Atlantic St would indicate the coach was on 6 Av S and the nearest cross street was S Atlantic St.
4. The base routes are listed in numerical then alphabetical order.

Example of usage: If you are scheduled to pull out of South Base and to deadhead to Convention Place Station Left Side Layover for the first timepoint on your run card, you should turn to the “From South Base” portion and look at the “Convention Place Left Side Layover” base route. The third line, “Via N/B I-5” in bold type is a common route (listed at the front of the section, under “From South Base”) that takes you to N/B I-5. Follow the common route to N/B I-5, then follow the detailed route to Convention Place Left Side Layover.

Route 116 a.m. Operation
State ferry personnel may assist backing coaches as available. If unable to complete backing maneuver due to blocking vehicles or traffic, contact dock personnel for assistance. Watch for Vashon Ferry from Fauntleroy Way SW/SW Cloverdale St. If the ferry is unloading, remain at this location until unloading is completed. Proceed to the ferry terminal and enter the dock via exit lane (5) when the lane is clear of traffic. If ferry is loading, hold at stop line "A" (see reference drawing). For the safety of coach passengers, deboard at this point only when directed by ferry personnel.

Dock Surface Warning
Prior to turning the steering wheel for any reason, be sure that the coach is in motion. Do not turn the steering wheel while stopped as it will cause serious damage to the asphalt.

Turnaround Instructions
Turnaround points are marked "A" through "C" on the reference drawing. They are to be used as guides for either the start of a turn to the next point or as a stop.

- Stop at "A".
- Proceed to "B" following the marker line, staying to the left of the line.
- Stop at "B".
- Proceed to back up to bar "C", tapping horn twice.
- Stop at bar "C". Be aware of railing at edge of dock.
- Load passengers using both doors and depart zone as soon as last passenger has boarded.

Operations with two Coaches on Dock
First coach: Turn around as per instruction for single coach. Pull up to the bus stop sign (second utility pole past the passenger waiting room). Upon securing coach at the head of the bus stop, driver of first coach directs second coach onto dock and helps second driver back up.

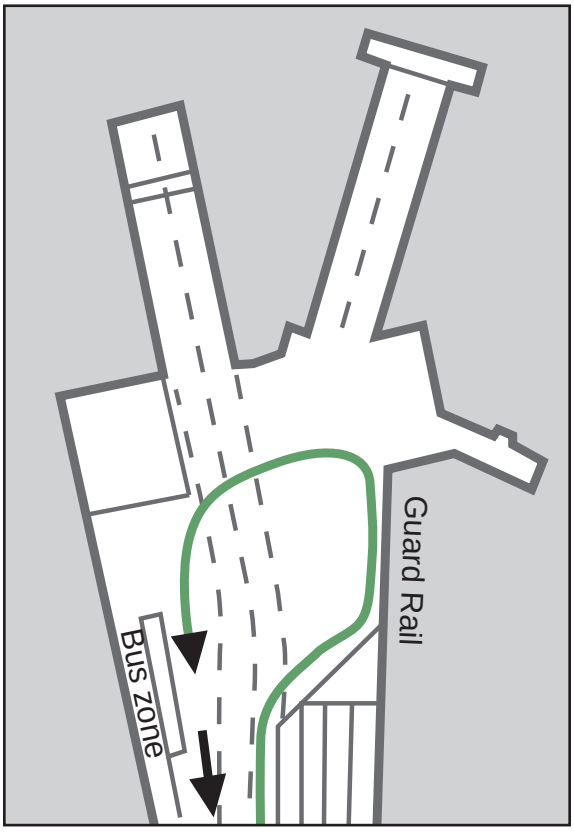

Second coach: Follow first coach onto ferry dock. Wait on south exit lane next to ticket booth until first coach is secured at head of bus zone. Upon direction of first driver, proceed on dock and back up as directed by first driver. Pull up behind first coach.

Route 116 p.m. Operation
Deboard passengers at the S/B zone on Fauntleroy Way, farside of ferry terminal entrance. Afternoon service does not operate on the dock.

Note:
"Express Stop Instructions" and "Fare Collection" information can be found with the Route 116 turn-by-turn instructions.

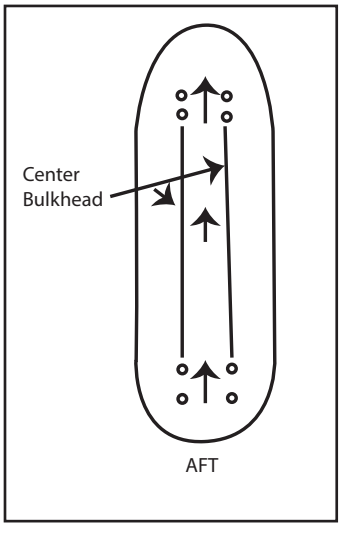

Vashon Ferry Terminal

- Under no circumstances should coaches scheduled to turn around on the dock let customers off the coach before completing the turn.
- If the ferry is already loading, coaches due to turn around on the dock must wait for all traffic to clear on their right side before making the turn, or wait for directions by the dock workers.
- Coaches scheduled to turn around on the dock, if the turn cannot be made without backing up, please wait for all ferry off loading traffic to clear before backing up to complete turn. If this situation should arise, customers may be off loaded in zone for customers with disabilities before backing up.
- Coaches scheduled to board ferry must pull along the right guard rail ahead of the ferry staging area. This allows coaches which turn around on the dock enough clearance. Do not let any customers off the coach until the coach is positioned along the guard rail (see illustration).

Boarding Vashon Ferry

- 5 mph on and off of ferry.
- Follow loading directions of the state ferry personnel.
- Position coach (park) any place on the vessel except adjacent to the center bulkhead area where the doors of the coach cannot be opened. Coach passengers must be able to exit or enter the coach.
- Make sure both outside mirrors are positioned close to the sides of the coach, and operate with caution.
- When parked on ferry, wait for cars to fill adjacent lane before deboarding passengers - front door only. Use extreme caution when unloading customers.

Special Instructions

Do not leave base with a non-functioning reverse gear. Check before leaving base.

Note:

"Routes 118 & 119 p.m. Operations" has been removed because express service between Vashon Island and Seattle has been suspended.

Note:

Flag stop information can be found with the turn-by-turn instructions for routes 118 and 119.

OPERATORS OF THE MONTH
RYERSON BASE

Latonya Abernathy
July 2021

"Never let negative energy steal your joy."

Kevin Sylvan
August 2021

"Be confident, be patient, be consistent and learn from your mistakes."

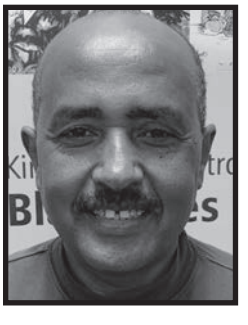

Jesus Pineda
September 2021

"Take care of your health. Eat right, drink lots of water, and always get good sleep."

Brian Mihara
October 2021

"Try to balance work and home life."

Cherinet Gebremichael
November 2021

"Try to enjoy each day on the job to the fullest! There's always something new every day."

Drake DeGrate
December 2021

"Be kind to your fellow operators! Have patience and compassion with the riding public."

OPERATORS OF THE MONTH
BELLEVUE BASE

Amanpreet Sandhu
January 2021

"Always follow Metro's rule of thumb – safety, service and schedule."

Upinder Saini
February 2021

"Always try to learn from others' mistakes, and have your mind open to the lessons they provide."

Jim Dempsey
March 2021

"If I told you, you wouldn't believe me."

Dennis Witheril
April 2021

"Just slow down a little. Having a positive attitude can really help. Don't get caught up with the games people play."

Darren Lucchini
May 2021

"Develop a routine that allows you to get plenty of rest – a routine that keeps you mentally and physically healthy."

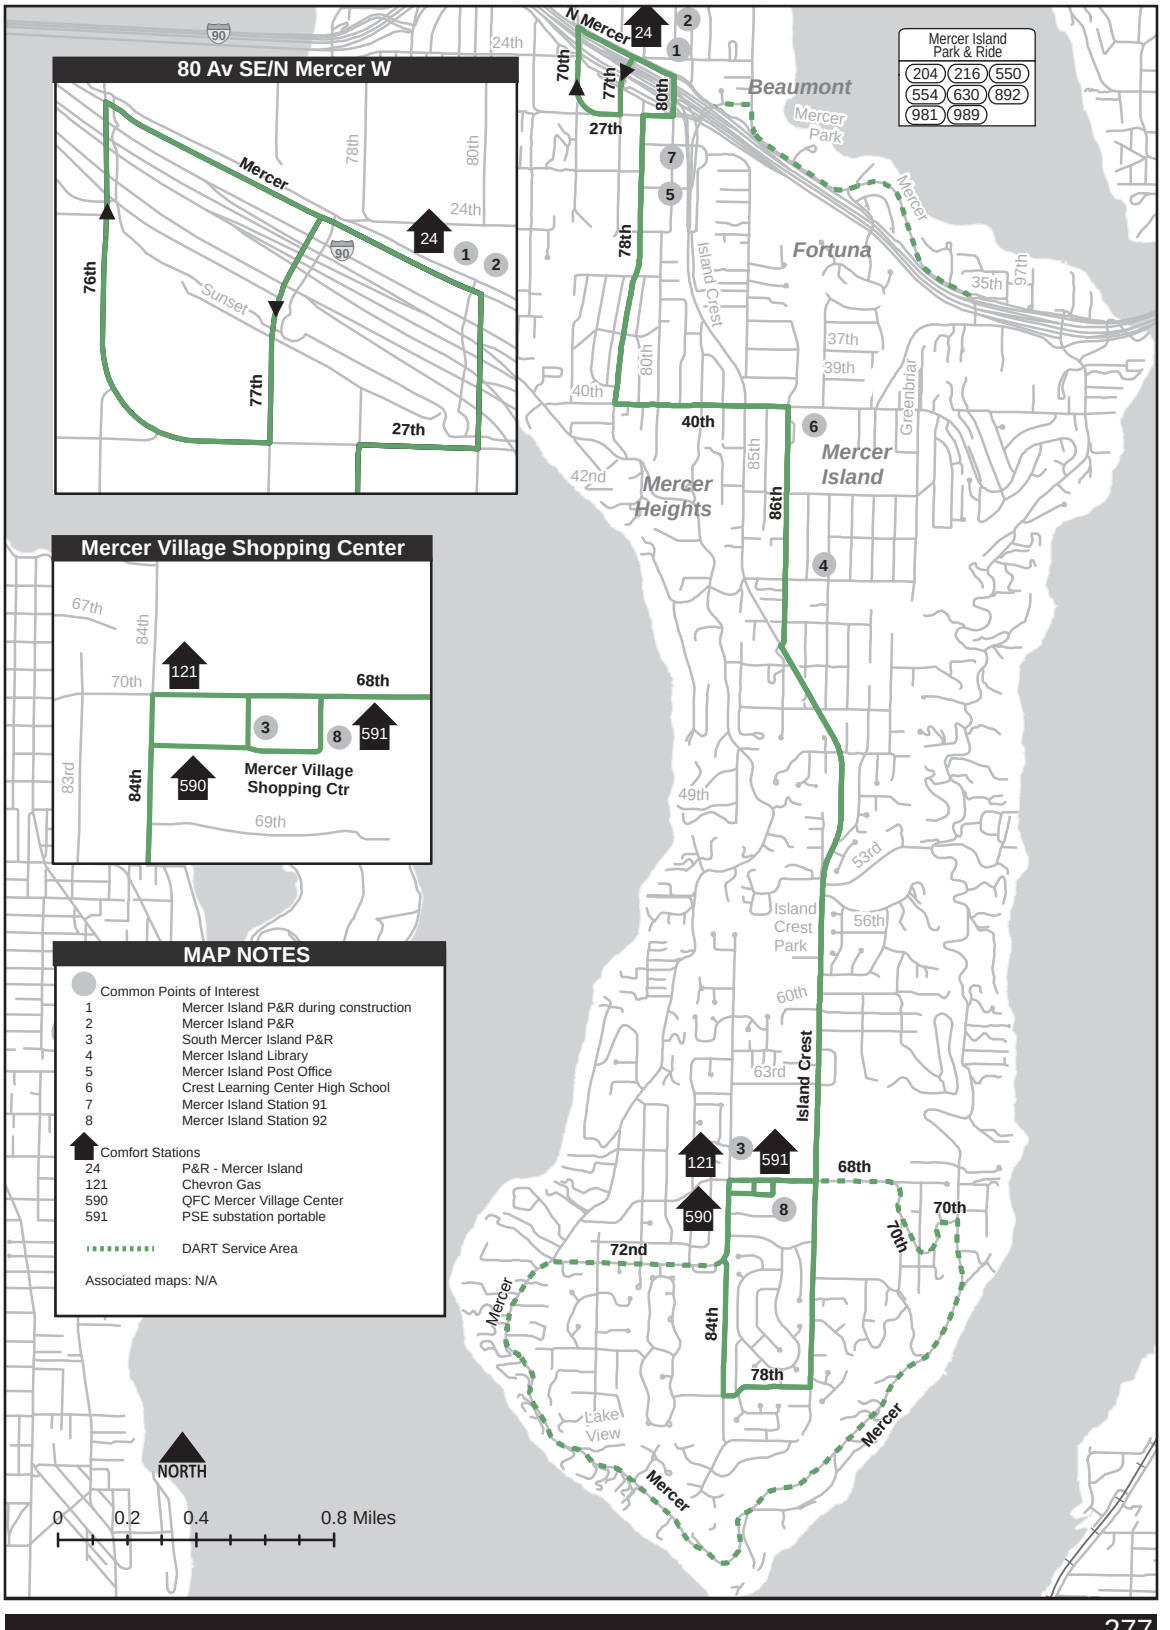

Benjamin Ellis
June 2021

"Smile, wave, and be as friendly as you want to see in return. Slow down, enjoy the scenery, and let go of the schedule. Slow is smooth. Smooth is fast and safe."

Note: Due to COVID-19 precautions, Operator of the Month portraits did not resume until late spring 2021.

OPERATORS OF THE MONTH
BELLEVUE BASE

Daniel Krueger
July 2021

"Treat everyone with respect – customers and drivers the same."

Craig Jones
August 2021

"Be kind and nice to others. Usually it is returned and your day is a lot easier."

Mark O'Rourke
September 2021

"Life is short, try to enjoy each day."

Scott Spencer
October 2021

"A problem is not a problem until you make it so. So don't make problems for yourself. Let things go."

Latrelle Gibson
November 2021

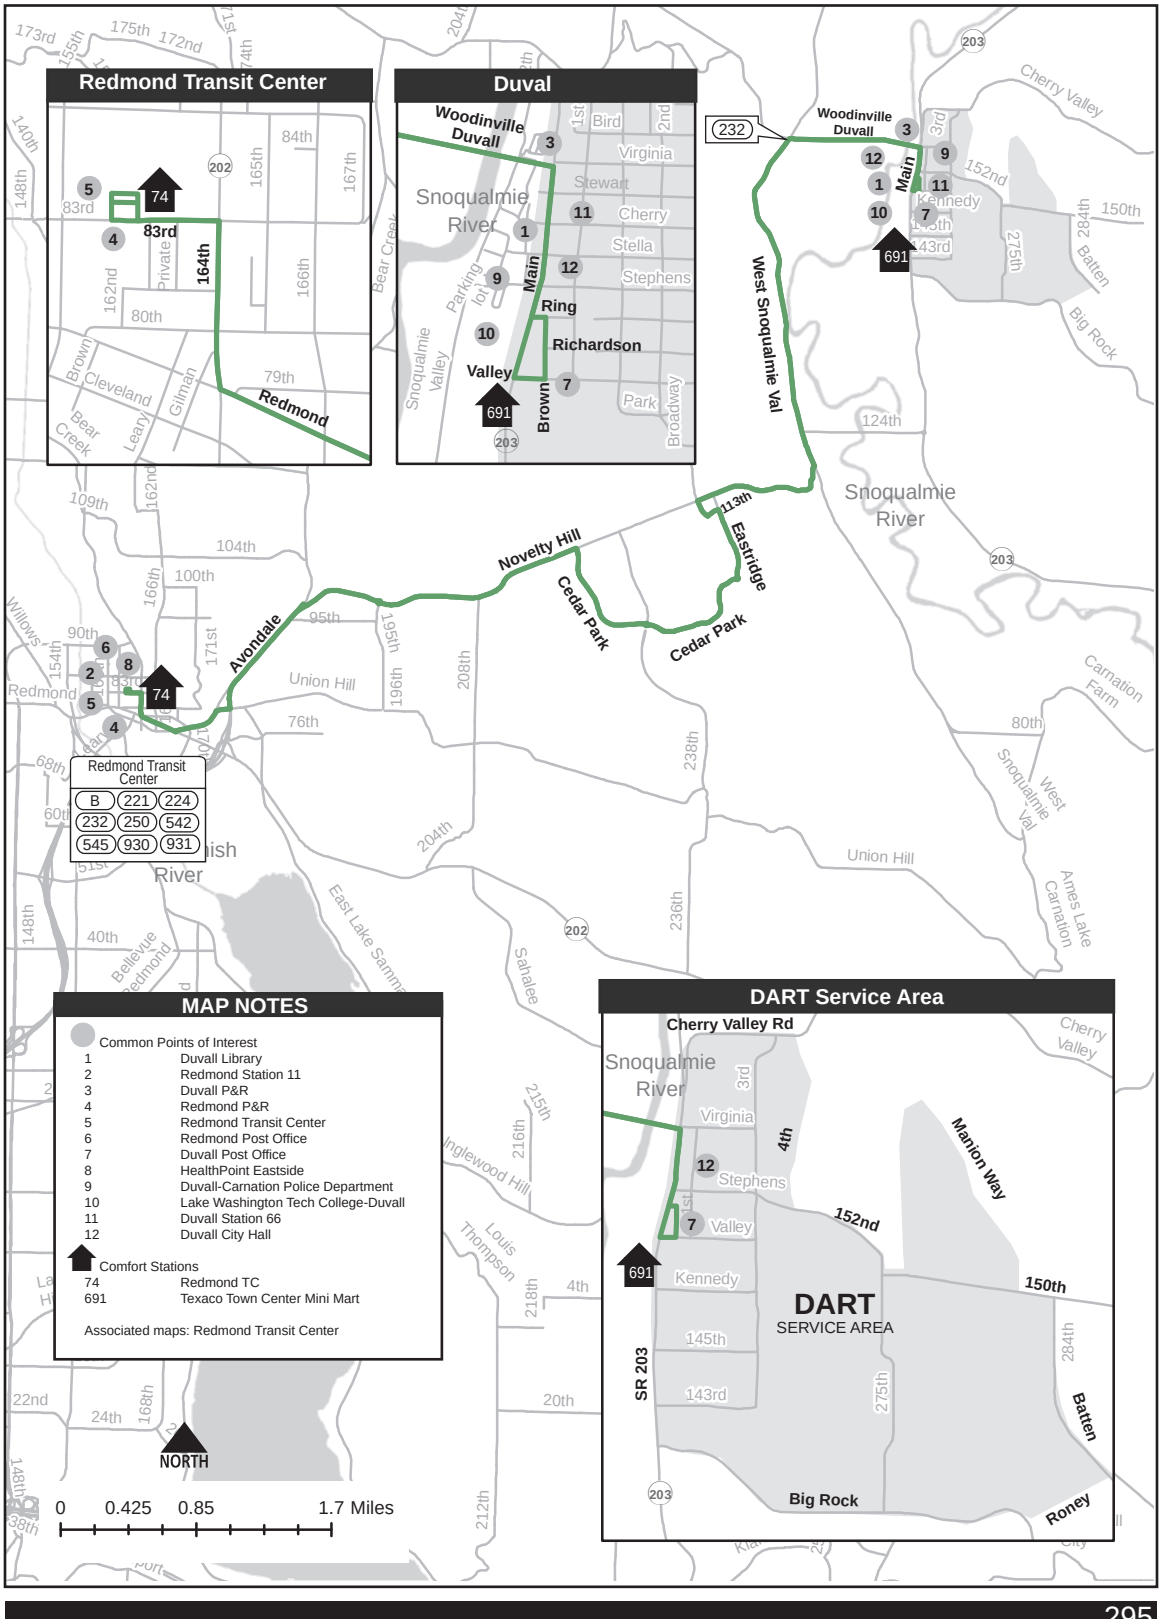

"Service and schedule never come before your safety, no matter what you're told. Safety always comes first."

York Thao
December 2021

"Comparison is the thief of joy." ~Theodore Roosevelt

OPERATORS OF THE MONTH
NORTH BASE

Jennifer Barringer
January 2021

"Treat others the you want to be treated, and laugh a lot because it keeps you young at heart."

Frank Lacey
February 2021

"Always be aware of what's going on around you and treat others the way you wish to be treated – with respect!"

Christine Ellis
March 2021

"The right attitude and a smile go a long way in this profession."

Dawit Seyoum
April 2021

Customer commendation: "Thanks for hiring such a great driver!"

Janet Christiansen
May 2021

"Stay calm and don't be in a hurry."

Michael Leck
June 2021

"By respecting yourself first, it allows you to respect others much easier, especially when they're not being respectful!"

Note: Due to COVID-19 precautions, Operator of the Month portraits did not resume until late spring 2021.

Procedure for Use of the 520/I-405 Reroute:
If the operator believes traffic warrants the use of the reroute, but the coordinator has not yet ordered it, the operator may place a RTT to get permission from the coordinator. If the coordinator is unable to respond to your call in a timely fashion, the operator may use these reroutes at their discretion, but is REQUIRED to complete the notification of the coordinator that the reroute was used.

OPERATORS OF THE MONTH
NORTH BASE

Jeremy Boushelle
July 2021

"It's so simple to be wise: just think of something stupid to say and then don't say it."

Samson Mulenga
August 2021

Customer commendation: "Thoughtful drivers like him make Metro buses inviting to ride"

Colleen Porter
September 2021

"Relax and enjoy the scenery."

Bereket Alemu
October 2021

"Be kind and patient."

Daniel Habtemichael
November 2021

"Being patient and a little bit of kindness goes a long way."

Benjamin Duncan
December 2021

"Let's drive the bus, don't let it drive you. Use the happy passengers to help evaporate awkward moments."

OPERATORS OF THE MONTH
EAST BASE

Eli Woodward
January 2021

"When the zone is empty, you are still fulfilling a promise to be there when someone needs you again."

Theresa Coates
February 2021

"Always be aware of the unexpected, and take corners slow."

Mary Newton
March 2021

"Always try to see the other person's point of view."

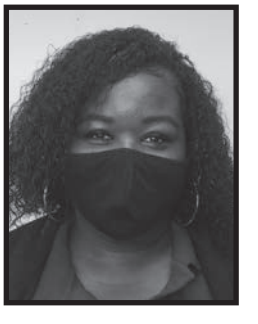

Janet Gratton
April 2021

Customer commendation:
"Very warm and inviting demeanor, provides excellent customer service."

Holly Stewart
May 2021

"We are not just bus drivers but first responders, social services, and tour guides... I do know that each day offers the opportunity to practice compassionate understanding towards the public and myself."

Stacy Valentin
June 2021

"Don't get comfortable. Always be aware of your surroundings and take it nice and slow. Like my instructor said, the only love triangle you should be in is between you and your two mirrors."

Note: Due to COVID-19 precautions, Operator of the Month portraits did not resume until late spring 2021.

OPERATORS OF THE MONTH
EAST BASE

William Spoon
July 2021

"Don't let the bad passengers or traffic get you down and keep up the common courtesy."

Afshin Manshadi
August 2021

Customer commendation: "He went above and beyond to help me."

Ryan Oravitz
September 2021

Customer commendation: "We had an amazingly positive experience."

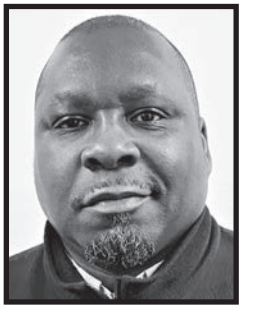

David Lombard
October 2021

"Diversify!"

Bonnie Robinson
November 2021

"Have fun, enjoy your day, don't forget to smile, and leave your work life at work."

Duron Travis
December 2021

"The who is more important than the why! So take care of yourself."

CUSTOMER COMMENDATION

"I'm sure that this message is about 30 years too late, but I have thought quite a bit lately of the people in my life that truly stood out as the heroes and wanted to bring to light one that worked for you. I was the kid of a single mom, I rode the bus each day alone to my elementary school in the 1980s. My Metro bus driver had the best smile. He made sure I sat up front and he would greet each of his regular riders as if he'd been waiting all morning for us. I had never had a class party on my birthday and when I was nine, he gave me a Costco-size container of Red Vines for myself and one for my class. In the grand scope, I'm sure it was a small gesture but for a kid like me, it meant the world. I'm 41 years old now and I have never forgotten his kindness."

OPERATORS OF THE MONTH
ATLANTIC BASE

Rahab Njuguna
January 2021

"Treat everyone you meet with kindness. Treat everyone the way you would like to be treated. It will always pay."

Renita Asherz
February 2021

"Control your environment with kindness."

Daniel Dechert
March 2021

"Don't get stressed out by other drivers on the road who fail to yield or cut you off. Just realize that most people hate being stuck behind a large vehicle and it's not worth getting stressed out. Be kind to other drivers and they may remember your politeness."

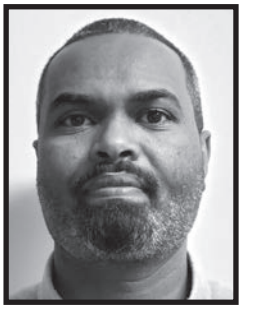

Kathryn McMahon
April 2021

"Find a passion and purpose outside of work."

Alexander Burns
May 2021

"Go slow, check your mirrors, and help out your co-workers."

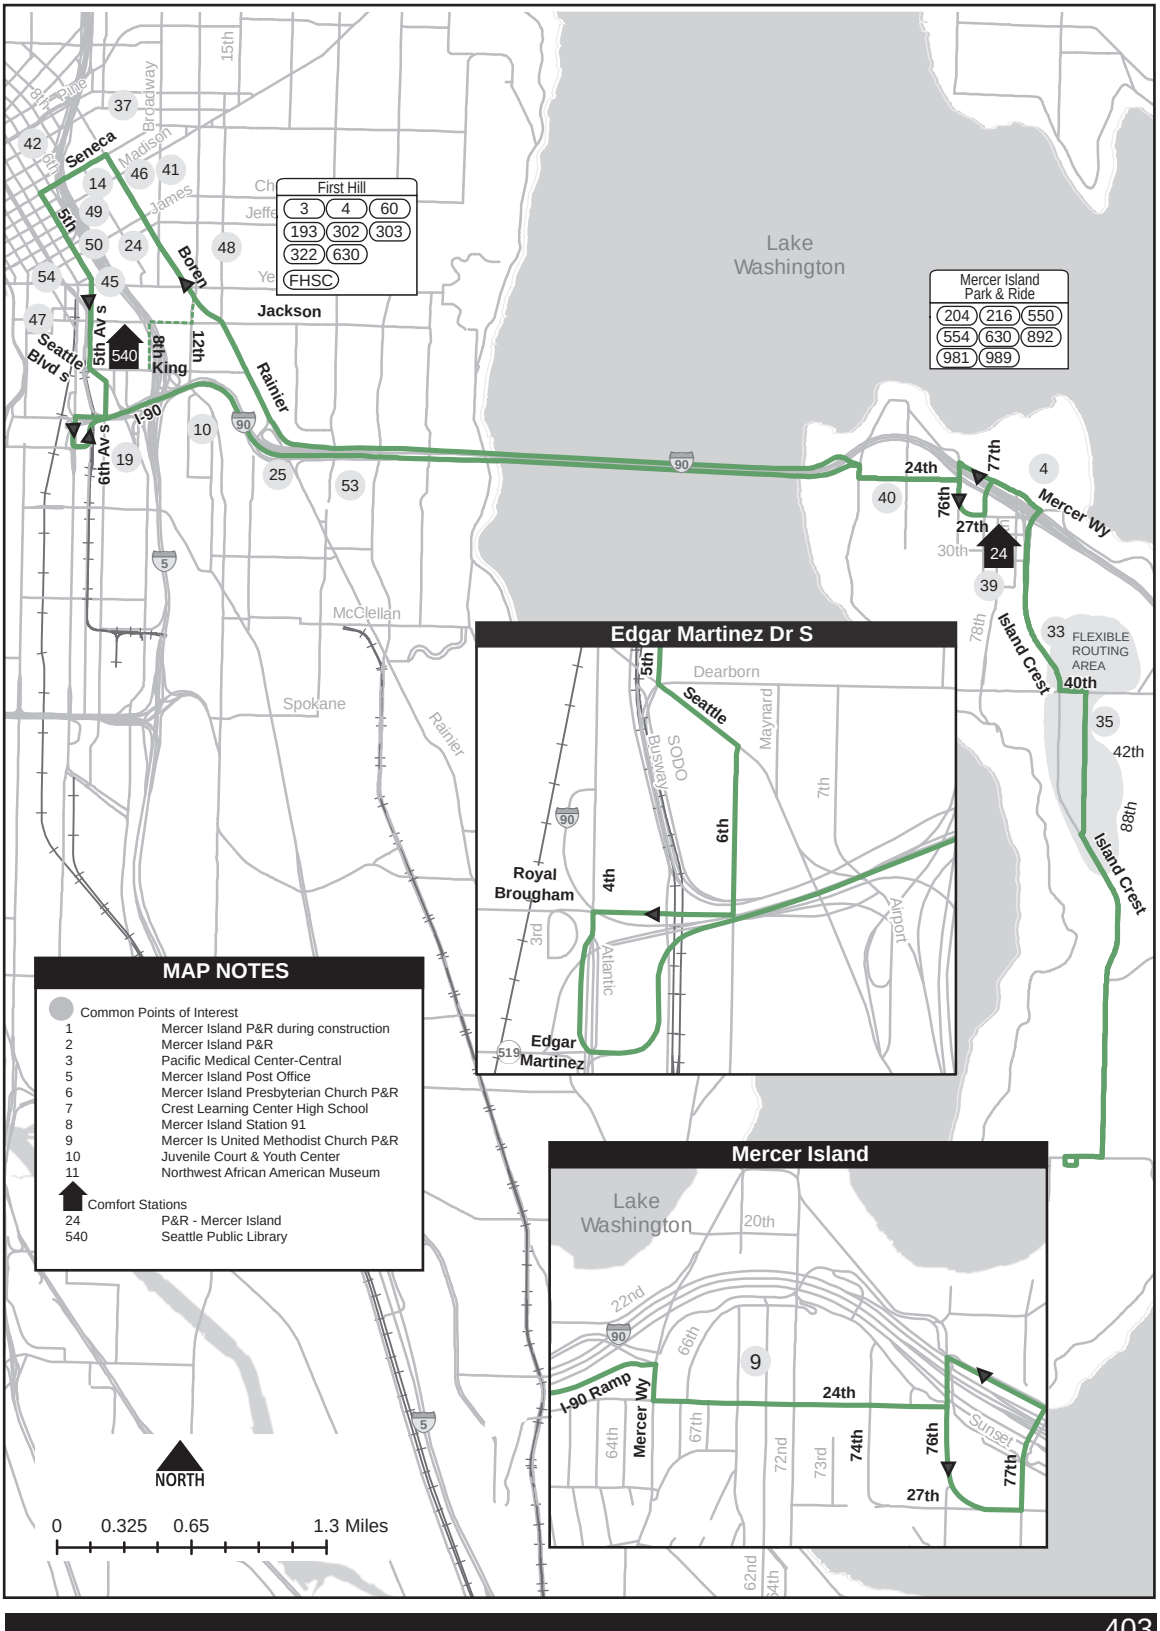

Omar Osman
June 2021

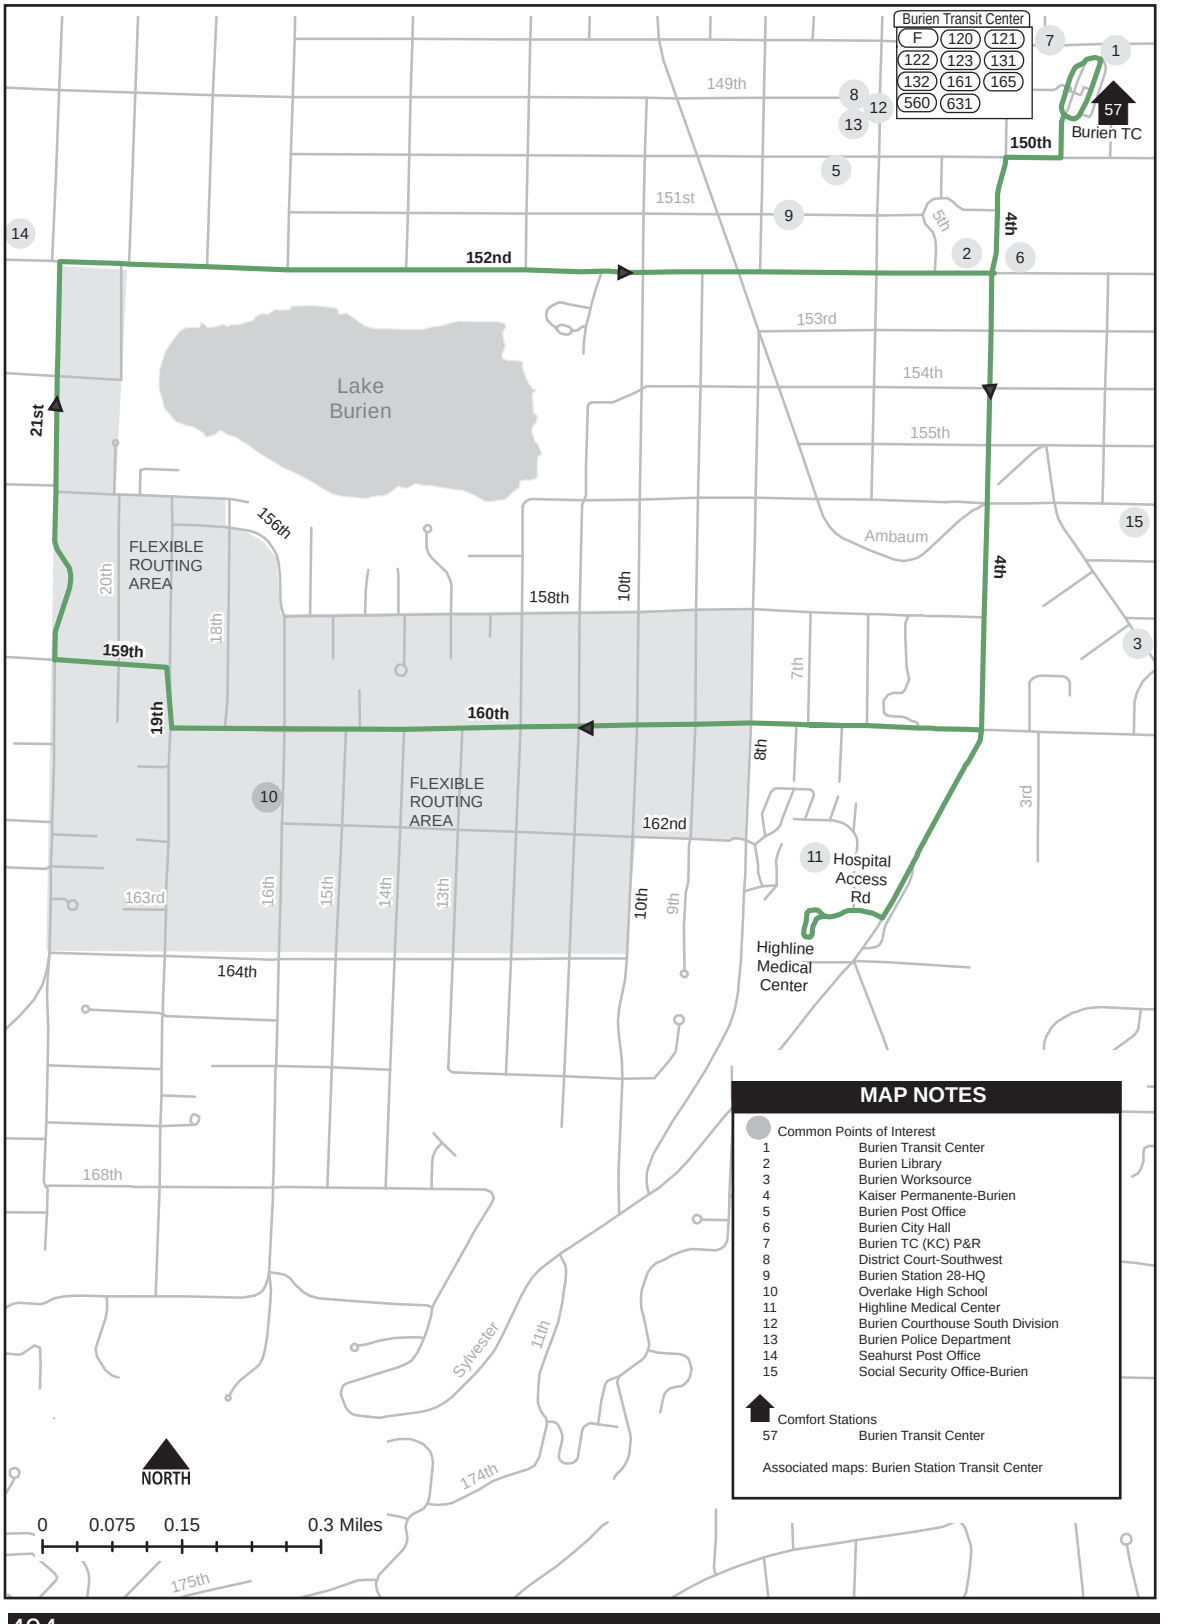

"Be patient with your elderly passengers."

Note: Due to COVID-19 precautions, Operator of the Month portraits did not resume until late spring 2021.

OPERATORS OF THE MONTH
ATLANTIC BASE

Solomon Yitayew
July 2021

Customer commendation: "A great example of service and kindness."

Nikolay Romanyuk
August 2021

Customer commendation: "He was calm, responsive, and handled himself well."

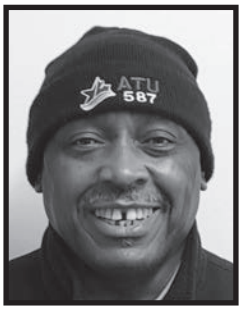

Beniyam Esayas
September 2021

Customer commendation: "He was awesome in dealing with a rider in crisis."

Egbert Wilson
October 2021

"Be nice, be honest, take time off if you need to, and talk to other drivers. We all go through the same problems."

Terry Moon
November 2021

"Stay humble to the process. Be good to yourself and it's easy to be good to others."

Thane Mitchell
December 2021

"Be firm but nice, choose your battles, get lots of sleep, shuffle steer, and slow down."

OPERATORS OF THE MONTH
SOUTH BASE

Lynnette Harrell
January 2021

"Gentle answer turns away wrath, but a harsh word stirs up anger."

Brandy Johnston
February 2021

"Only you can choose to have an okay day or a great day! It's all about your attitude, and nobody can control that better than you."

Greg Klasen
March 2021

"Never have a fare dispute."

Christian Chambers
April 2021

"Try not to take things personally and you will have a better day."

Magdalena Limon
May 2021

"Make eye contact with each passenger and greet them with respect. It could make a difference in their day."

Carol Wallace
June 2021

Customer commendation: "Excellent, very calm, and patient with several riders who needed extra time."

Note: Due to COVID-19 precautions, Operator of the Month portraits did not resume until late spring 2021.

OPERATORS OF THE MONTH
SOUTH BASE

Andrea Jermann
July 2021

"A positive attitude can make a positive difference, and a smile and a warm hello can make all the difference."

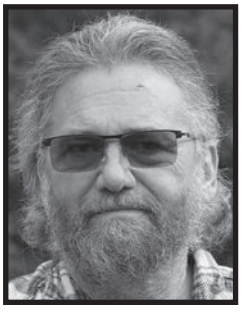

Monique Lowe
August 2021

"Be open to change."

Patrick Murphy
September 2021

"Look for the good in each day."

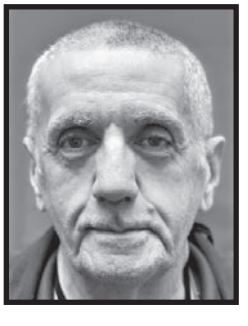

Harold Batson, Jr.
October 2021

"Keep your body on a swivel."

Mechelle Penny
November 2021

"You always want to be kind and courteous because you never know what people are going through."

Richard Thompson
December 2021

"Give respect to get respect."

OPERATORS OF THE MONTH
CENTRAL BASE

Arnino Guanlao
January 2021

"Take it one trip at a time and bring lots of patience."

JoAnn Gries
February 2021

"Live life the fullest and always focus on the positive."

Michael Webb
March 2021

"Prioritize your family first, your health and happiness."

Elizabeth Coffelt
April 2021

"Be respectful, courteous, and kind to other drivers. Never forget that no one person is better than anyone else."

Chad Solomon
May 2021

"Be respectful toward others. You don't know what they might be going through."

Michael Bible
June 2021

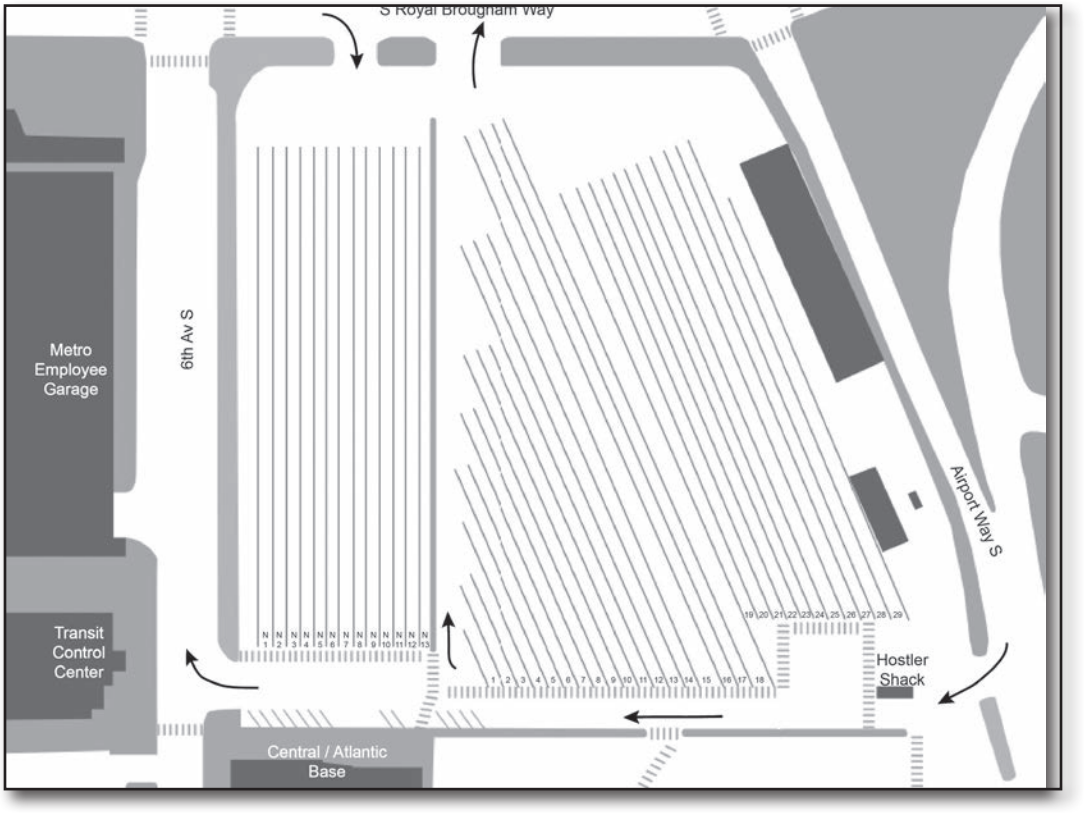

"Show up to work on time and never take anything personal from passengers, and always make sure you make it home safe."

Note: Due to COVID-19 precautions, Operator of the Month portraits did not resume until late spring 2021.

Procedure for Use of SR-520/I-405 Reroute:
If the operator believes traffic warrants the use of the reroute, but the coordinator has not yet ordered it, the operator may place a RTT to get permission from the coordinator. If the coordinator is unable to respond to your call in a timely fashion, the operator may use these reroutes at their discretion, but is required to complete the notification of the coordinator that the reroute was used.

Comfort Station Information

Comfort station alerts contain additional information and can be found posted at base. These posts include items such as access codes, hours for individual buildings at the University of Washington and walking directions to locate comfort stations. A web map of comfort stations is available at MetroOperations.com. For questions or issues with comfort stations, contact the Comfort Station Coordinator, Ruthann Dunn, at station.comfort@kingcounty.gov or 206-477-0347.

CUSTOMER COMMENDATION

"RAVE to the driver of the westbound 550 bus last Wednesday morning. With authorization she cleverly U-turned on Mercer Island, taking I-405 and Highway 520 to get us to downtown Seattle while a semitruck blocked all westbound lanes on I-90. Her skillful driving and clear communications with the riders made the situation immensely more manageable. She gets my vote for driver of the year!"

King County METRO

Central Business District (CBD)

The Central Business District (CBD) is the area bordered by S. Jackson Street, I-5, Denny Way and the waterfront.

Safety Stops

You are required to follow the safety stop instructions described on the individual route pages or on service adjustments. Safety stops may apply to base routes, deadhead routes, or special routes. You must determine if any portion of your route is affected by a safety stop. When no specific location is identified in the *Route Book*, the safety stop can be made at the first available zone. For all safety stops with a defined location, the safety stop must be made at that location.

At locations where 90 lbs of air pressure is required, make a complete stop. Do not proceed with less than 90 lbs pressure. Call the coordinator.

The safety stops are as follows:

- All transit facilities stop bars and crosswalks: Make a stop at all stop bars, crosswalks and check area; proceed with caution.
- NE 135 St at far side 93 Av NE, (before crest of hill), eastbound on Route 225: test brakes and check air pressure for a minimum of 90 lbs.
- E Galer St at Grandview Pl E on Route 10: Make a stop and check for oncoming traffic; proceed with caution.
- James St at 5 Av, westbound: Test brakes and check air pressure for a minimum of 90 lbs.
- James St at 9 Av, westbound: Test brakes and check air pressure for a minimum
- of 90 lbs.
- Jefferson St at 9 Av, westbound: Test brakes and check air pressure for a minimum of 90 lbs.
- Madison St at 6 Av, westbound Route 12: Test brakes and check air pressure for a minimum of 90 lbs.
- Queen Anne Av N and W Highland Dr, southbound on Routes 2, 13, & 29; test brakes and check air pressure for a minimum of 90 lbs in the zone nearside on W Highland Dr.
- Seneca St at 6 Av, westbound: Test brakes and check air pressure for a minimum 90 lbs.

Slow Orders

You are required to follow the slow order instructions described on the individual route pages or on service adjustments. Slow orders apply to base routes, deadhead routes or special routes, even though only regular service routes are listed below. You must determine if any portion of your route is affected by a slow order and operate according to the reduced speed limit established for that location.

The Slow Orders Are as Follows:

- I-5 express lanes northbound; Coaches exiting at the NE 42 St off-ramp must not exceed 20 mph. Deceleration must begin at or before the crest of the I-5 freeway bridge; the coach must not be exceeding 20 mph when the front of the coach passes the speed limit sign for routes 64 and 322.
- I-5 express lanes southbound; For coaches traveling in the inside HOV lane, speed limit is 40 mph from the Mercer St off-ramp to the approach to the tunnel exiting onto 5 Av at Columbia St for routes 302, 303, 304, and 322.
- 3 Av NE between NE 130 St & NE 135 St; 20 mph or less on routes 982, 986, 987, 988, 989, 992, and 994.
- 3 Av W between W Smith St & W Fulton St; 20 mph or less on routes 3, 4, 13, and 29.

- SE 4 St between Union Av SE & Chelan Av SE; 15 mph or less on Route 114.
- 24 Av NW between NW 92 St & NW Neptune Pl; 20 mph or less on Route 18X.
- 24 Av S between S Dearborn St & S Norman St; 15 mph or less on Route 4.
- 30 Av W/31 Av W between W Tilden St & W Jameson St; 15 mph or less on Route 24.
- 32 Av NW north of NW 85 St (Golden Gardens Dr NW, View Av NW, Loyal Av NW); 20 mph or less on Route 17X.
- 34 Av at E Howell St to E Denny Way at 36 Av; 10 mph or less on Route 2 trolley.
- NE 55 St between 35 Av NE & 40 Av NE; 20 mph or less on routes 65 and 79.
- 55 Av NE between NE 70 St & NE 65 St; 10 mph or less on Route 79.
- 57 Av S between Rainier Av S & Waters Av S; 5 mph or less for all trolleys on Route 7.
- Between Woodlawn Av NE/NE 65 St & N 56 St/Meridian Ave N; 20 mph or less on Route 62.
- 64 Av S between nearside S Cooper St & nearside Waters Av S; 10 mph on wet pavement on Route 7.
- NE 65 St between 35 Av NE & 40 Av NE; 20 mph or less on Routes 62.
- NE 87 St/7 Av at 112 Av NE; 10 mph or less over dip in the road on Route 893.
- S 116 St at 1 Av S; 10 mph or less on Route 128.
- 119 Av SE between SE 48 St & SE 60 St; 20 mph or less on Routes 114 and 240.
- N 143 St between Greenwood Av N & Linden Av N; 20 mph on routes 16X and 28X.
- N 160 St eastbound from crosswalk nearside Dayton Av N to crosswalk farside Dayton Av N; 5 mph or less on Route 330.
- S 208/212 St westbound between 98 Pl S & 91 Pl S; 25 mph or less on Route 157.
- SW 325 St/SW 327 St between 35 Av SW & 26 Av SW; 15 mph or less on Route 187.
- SW Admiral Way westbound between 59 Av SW & 63 Av SW; 20 mph or less on routes 50 and 56.
- SW Barton St between 29 Av SW and 26 Av SW; 5 mph or less on routes 21 and 673 (C Line).
- Beach Dr SW between 48 Av SW & SW Shore Pl St; 15 mph or less on Route 37.
- Blanchard St after 8 Av turning N/B or S/B onto Westlake Av on route 320.
- NE Bothell Way on eastbound bus lane between Ballinger Way NE & 61 Avenue NE; 30 mph or less on routes 320, 322, 331, 342, 372X, and ST 522.
- Columbia St (E/B) 5 mph when crossing 1 Av and 2 Av on routes 21X, 55, 56, 57, 113, 120, 121, 122, 123, 125, and 673 (C Line).
- Columbia St (W/B) 10 mph (5 mph on wet pavement) on Columbia St between 3 Av and 1 Av on routes 21X, 37, 55, 56, 57, 113, 120, 121, 122, 123, 125, and 673 (C Line).
- Condon Way W between W Howe St & W McGraw St; 15 mph or less on Route 31.
- Evergreen Point and Yarrow Point (92nd Av NE) Freeway Stations (both directions); 30 mph or less when entering platform areas on routes 167, 252, 255, 257, 268, 311, ST 541, ST 542, ST 545, ST 555, St 556, 982 and 986.
- First Av and Second Av, Black Diamond, between First Av/Baker St and Second Av/ Lawson St; 15 mph or less on Route 143.
- W Fulton St between 8 Av W & 10 Av W; 15 mph or less on Route 1.
- Grandview Pl E between E Galer St & E Garfield St; 10 mph or less on Route 10.
- James St westbound between 9 Av & 3 Av; 10 mph on dry pavement and 5 mph on wet pavement (and eastbound between 4 Av & 6 Av: 10 mph) on routes 3, 4, 193, 302, 303, and 322.

- Kirkwood Pl N between N 56 St & Meridian Av N: 20 mph or less on Route 62.
- Lake Dell Av and E Alder St between 32 Av & Lake Washington Blvd; 10 mph or less on Route 27.
- Madison St westbound between 6 Av & 1 Av; 10 mph on dry pavement and 5 mph on wet pavement on Route 12.
- Marine View Dr between SW 106 St & 35 Av SW; 20 mph or less on routes 21X and 22.
- NOAA 10 mph or less on all roadways in NOAA except NE NOAA Dr for Route 62.
- NE Northgate Way eastbound between 24 Av NE & NE Lake City Way; 20 mph or less on routes 20 and 320.
- Queen Anne Av N southbound between W Highland Dr & W Roy St; 10 mph on dry pavement and 5 mph on wet pavement on routes 2, 13, and 29.
- Rainier Av S between S Court St & S Andover St; 25 mph for all trolleys on Route 7.
- Rainier Av S at S Walden St; 20 mph or less southbound for all trolleys on Route 7.
- SW Roxbury St between 31 Av SW and 35 Av SW; 15 mph or less on routes 21, 22, and 673 (C Line).
- Seneca St at 6 Av, westbound: Test brakes and check air pressure for a minimum of 90 lbs on Route 2
- Seneca St westbound between 4 Av & 3 Av; 10 mph on dry pavement and 5 mph on wet pavement on Route 2.
- Taylor Av N between 1700 block & Howe St; 10 mph or less on routes 3 and 4.
- W Viewmont Way W between W Armour St & W Bertona St; 20 mph on Route 24.
- SW Windmill St between 99 Av SW & 97 Av SW; 15 mph or less on Route 119.

Special Lane Operations

State law prohibits large vehicles from the left lane on limited access highways with three lanes or more in one direction. There are exemptions that benefit the way Metro provides service:

- HOV lanes are not considered the left lane of a roadway.
- The I-5 corridor between the I-405 interchange at Southcenter and the I-405 interchange just beyond Alderwood Mall is exempt, including express lanes.

When operating outside these exempted areas, buses may not operate in the third lane or beyond except to enter a left side HOV lane.

I-5 Express Lanes

- **5th Ave & Columbia St exit**
  Southbound, when instructed to exit at 5th Avenue and Columbia Street, operate in the inside HOV lane south of Mercer Street. Coaches in this HOV lane must begin to decelerate and travel no faster than 40 mph between the Mercer Street off-ramp and the exit. Use extreme caution in the tunnel area and be prepared to stop as traffic can suddenly back up in the tunnel. Coaches traveling in lanes other than the inside HOV lane may continue to travel at the posted speed limit.
- **NE 42nd St off-ramp (northbound)**
  The speed limit for coaches operating northbound on the I-5 express lanes exiting at the NE 42nd Street off-ramp is 20 mph. Deceleration must begin at or before the crest of the I-5 freeway bridge and the coach must not be exceeding 20 mph when the front of the coach passes the speed limit sign.

- **Northern terminal of express lanes (north of NE Northgate Way)**
  During peak hours, coaches entering or exiting the express lanes are to continue through in the HOV lane.
- **Following distance rule**
  Following distance on the I-5 express lanes, from NE 42nd Street to Cherry Street exit, is six seconds, both northbound and southbound, for all coach types.
- **Freeway express lane access**
  When approaching the entrance to the express lanes, read the express lane information sign. Enter only if the green "OPEN" signal is displayed. Never enter when the red "CLOSED" signal is displayed or the sign is blank. When the red "CLOSED" signal is displayed or if the sign is blank, follow routing for regular lanes. Operators must not pass electronic swing-gates or traffic cones blocking access to express lanes. If you have any doubt about the status of the express lanes, call the coordinator with either a PRTT or RTT, depending on the circumstances. Operators violating express lane closures are subject to traffic citation and disciplinary action. Should a coach enter the express lanes the wrong way, the operator is required to stop immediately off the roadway, turn on the four-way flashers, activate the emergency alarm (EA) followed by a PRTT and remain in place until assistance arrives.

SR-520 HOV Lane

Use extra caution and reduce speed when traffic is slow and heavy, as traffic may "jump" into your lane unexpectedly. Do not pass coaches at Yarrow Point or Evergreen Point stations.

Metered Freeway On-ramps

Many freeways have special split entrance metered on-ramps with one portion for single occupancy vehicles and one for high occupancy vehicles. When an HOV lane is provided, always use the HOV portion of the on-ramp.

Flyer Stops and Freeway Station Speed Limit

Coach speed in all flyer stops and freeway stations is not to exceed 30 mph.

BAT Lanes

BAT (Business Access & Transit) lanes exist on several surface highways in the system, including SR-522, Aurora Avenue, and Interbay. The following guidelines apply for utilizing BAT lanes:

- Right-turning cars share the lane with buses.
- Bikes are allowed in the lane per traffic laws and buses should pass bikes with care.
- Express and deadheading buses may pass stopped locals but generally are encouraged to use the BAT lanes.
- Slow order of 30 mph eastbound bus lane on NE Bothell Way between Ballinger Way NE and 61 Avenue NE.
- In some locations, cars are allowed to drive or park in BAT lanes during off-peak hours.

Interbay BAT Lanes

Buses traveling northbound on Elliott Avenue W may operate straight through the Galer Street flyover intersection only when the center vehicle signal is a green ball. The right turn arrow signal is for right turning traffic only.

Skip Stop Operation in the CBD

The CBD is the area bordered by S. Jackson Street, I-5, Denny Way and the waterfront. (See CBD map in Associated Maps section.)
Coaches traveling on 2nd, 3rd or 4th Avenues shall adhere to the following guidelines to insure smooth traffic flow during skip stop operations in the CBD.

- Coaches that are not traveling in the curb lane may pass a coach servicing a zone not serviced by the passing coach. When passing, tap the horn twice to alert the other driver of the passing maneuver.
- Coaches that are not traveling in the curb lane shall yield to coaches attempting to pull out of a zone, allowing them to safely get back into traffic. The yielding coach may then pull into the bus lane and continue to their zone.
- If there is a coach in each lane of traffic at a red light, when the light turns green the coach in the #2 lane shall yield to the coach in the curb lane.
- On 3rd Avenue, do not pass a trolley which is slowing down for special work.

4th Avenue Island Stop at 4 Avenue/S Jackson Street

The stop is used by coaches traveling N/B on 4th Avenue S continuing to 3rd Avenue S.

SODO Busway Speed Limit

25 mph or less on SODO busway between S Royal Brougham Way and S Holgate St both directions.

Bellevue Transit Center

- 10 mph or less inside Bellevue Transit Center.
- Yield to pedestrians at all times.
- No boarding when coach is more than one bus width away from loading curb, unless the coach next to curb is disabled and blocking.
- Do not make second stop in bay to pick up or drop off passengers.
- If you layover for time, activate the 4-way flashers.
- Coaches in right lane always yield to coaches in left lane.
- When exiting, move front of coach over sensor area to trigger blue light and activate green signal light.
- Use left lane when exiting (except if serving Bays 6 or 11).
- After serving your designated lane, move to left lane (except if serving Bays 6 or 11).
- Relief cars are not allowed in the transit center. Park in City of Bellevue parking garage.

Northgate Station (Link)

- 10 mph or less inside Northgate Station (Link)
- Yield to pedestrians at all times.
- No boarding when coach is more than one bus width away from loading curb, unless the coach next to curb is disabled and blocking.
- Do not make second stop in bay to pick up or drop off passengers.
- Coaches in right lane always yield to coaches in left lane.

Transit Center/Park-and-Ride Speed Limit

Coach speed limit in all transit centers and park-and-ride lots is not to exceed 10 mph.

OPERATORS OF THE MONTH
CENTRAL BASE

Paulis Petrovics
July 2021

"Show respect to the public and challenge yourself to practice the art of 'being zen' every day. Allow yourself to get plenty of rest. It will change how you go about your whole day for the better."

The September Operator of the Month from Central Base wishes to remain anonymous.

Jagjeet Chahal
August 2021

"Remember you are carrying living people. All of their lives are in your hands, so keep your eyes up and stay awake!"

Mitch Spencer
October 2021

"A positive attitude and tone are the keys to a great day!"

Vincent Quintinita
November 2021

"Some people will treat you bad, but don't let that dictate how to do you."

Michelle Muied
December 2021

"Everyone you meet is fighting a battle you know nothing about. Be kind always; it cost you nothing. We all can afford to give kindness."

King County METRO

Burien Transit Center

1 The first bus follow line to pull up and trigger the light sensor.

2 Second bus will pull forward and hold, but do not cross until first bus leaves.

3 Pull forward to Zone, do not park from this location- make the loop.

4 Pull up to the line and park. Stay to the right in lane. Use orange marker to align to center of door.

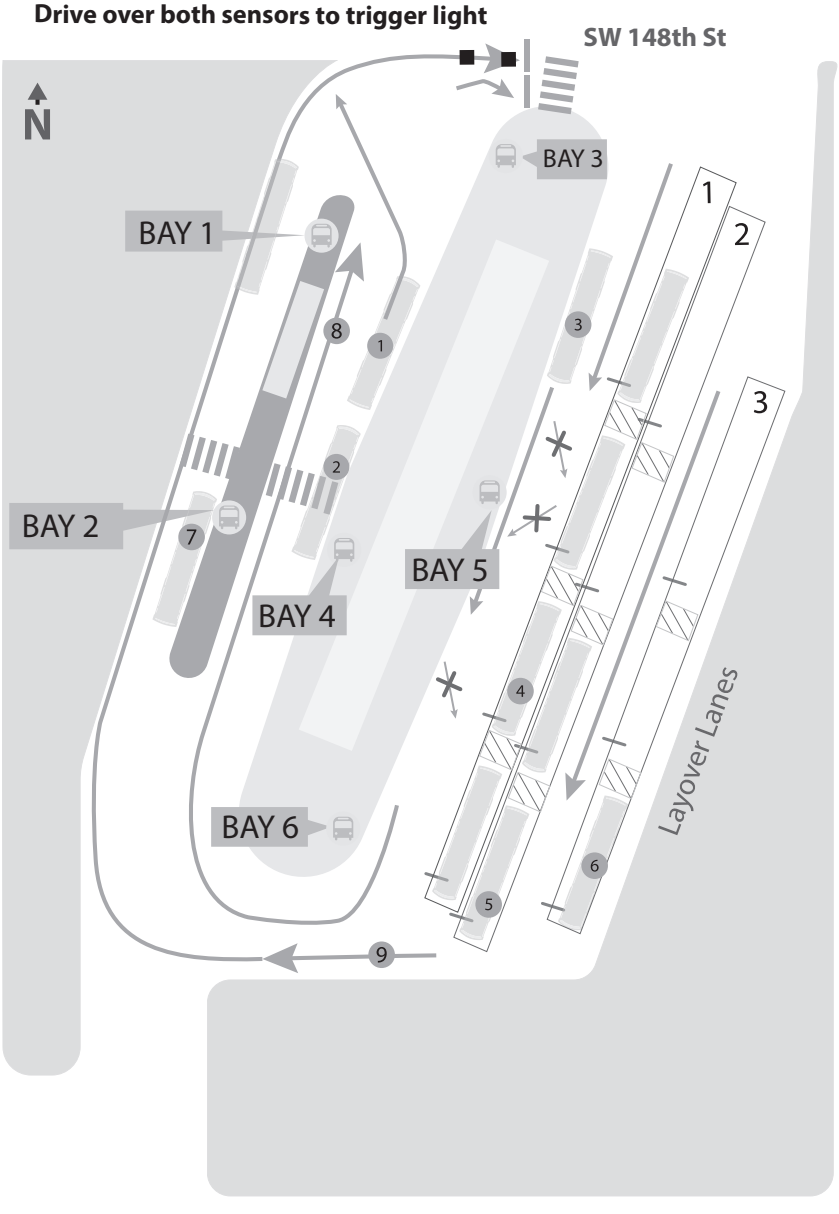

5 Pull up to the line and park. Stay to the right in lane. Use orange marker to align to center of door.

6 Pull up to the line and park. Stay to the **LEFT** in lane. Use orange marker to align to center of door.

7 Rts. 166 & 180 yield to coaches exiting via SW 148th.

8 Thru lane traffic yield to coaches exiting via SW 148th.

9 F-Line Coaches Layover lanes 2 & 3 only continue clockwise to Bay #6

Metro Transit Summary of Fare Rates

Adult Fare:	
Ages 19 to 64	$2.75
ORCA LIFT reduced fare	$1.50
ORCA/Transit Go Day Pass	$8.00
Youth/Student Fare (ages 6-18)**:**	
All zones at all times	$1.50
ORCA/Transit Go Day Pass	$4.00
Child Aged 5 and Under:	
Four children per paying adult.	Ride Free
Each additional child pays Student/Youth fare.	$1.50
Animals	
(See *The Book* for further information.)	
Non-service dogs occupying a bus seat are charged the same fare as the customer unless they ride on the owner's lap. Other animals in containers or carriers are charged the same fare as the customer if the container or carrier occupies a seat.	$2.75
Service animals for persons with disabilities ride free.	Ride Free
Other animals are not charged a fare.	Ride Free
Regional Reduced Fare Permit (RRFP):	
Cardholders	$1.00
Personal Care Attendant RRFP (PCA RRFP) - Attendant	Ride Free
ACCESS	$1.75
Vanpool (Metro Monthly Vanpool/Transit Pass - not Valid on Sound Transit Service)	$2.75
Subcontracted Service	
Charged as regular service	Comparable Fare

Fares

Sound Transit Express Bus Fares

Fare Type	One-County Fare (Within One County)
Adult	$3.25
Youth	$1.50
Senior/Disabled*	$1.00
ORCA LIFT reduced fare	$1.50

** Requires Regional Reduced Fare Permit.*

Please note that ST Link Light Rail and Sounder trains have unique fare structures.

Community Transit Summary of Fare Rates

Fare Type	Local/ Swift BRT	*Commuter	DART Paratransit
Adult (19-64)	$2.50	$4.25	$2.50
Youth	$1.75	$3.00	$2.50
Reduced Fare	$1.25	$2.00	$2.50

** Applies on all 400 & 800 series routes.*

Pierce Transit Summary of Fare Rates

Fare Type	Local	All-Day Pass
Adult	$2.00	$5.00
Youth	$1.00	$2.50
Discounted Fare*	$1.00	$2.50

** To be eligible for Discounted Fare, passenger must be a senior, have a disability or be a Medicare Card holder (RRFP card required). Must show Regional Reduced Fare Permit.*

Fares

Adult Fare

Customers who are 19 years and older are charged $2.75 or $1.50 with an ORCA/LIFT reduced fare card on all regular Metro Service. Senior citizens and customers with disabilities who show a valid Regional Reduced Fare Permit (RRFP) pay a reduced fare.

Child Fare

Up to four children age five and under may ride free when accompanied by a responsible person paying an adult fare. Additional children must pay a youth fare.

Youth Fare

Persons age six through 18 and persons over 18 who receive student passes from public school districts pay $1.50 on all regular Metro service, with the privilege of transfer.

Special Event Service

Premium fares are charged for service to certain special events. A Driver Alert will notify you in advance of any such service.

- Only the special fare and round trip transfer are to be accepted unless otherwise stated.
- ORCA Card is not accepted as Special Event fare.
- Use fare pre-set F5 $9.99 for this service. Press the 8 key to register cash fares.

Subcontracted Service

Subcontracted service fares are the same as regular service fares. Paper transfers issued by subcontracted service operators are accepted on all regular Metro service.

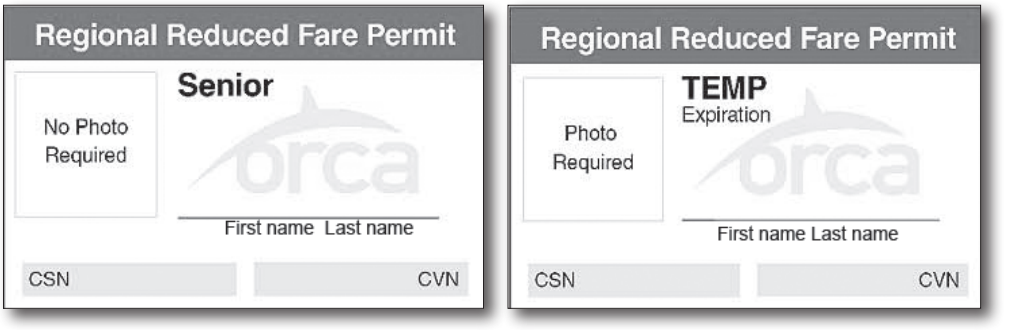

Off Board Fare Collection Locations in Downtown Seattle

Regional Reduced Fare Permit (RRFP) and Personal Care Attendant Permit (PCA RRFP)

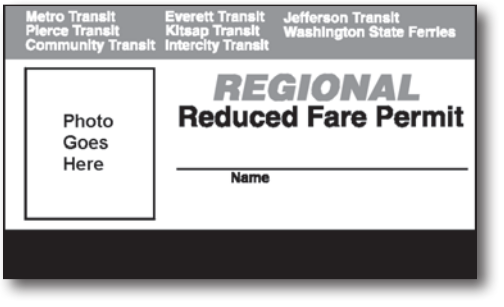

ORCA RRFP

Metro, along with several Puget Sound area transportation agencies, offers a "Regional Reduced Fare Permit (RRFP)" to eligible senior citizens and customers with disabilities. The permit allows a customer to ride at a reduced rate.

- Customers with temporary disabilities may be issued a temporary RRFP valid for up to five years depending on documentation submitted.
- Customers using ORCA RRFPs pay reduced fare by tapping the card if there is E-purse or a monthly pass loaded on the card. Customers that want to pay cash do not tap the card and simply show the driver the card to verify it is a valid RRFP.

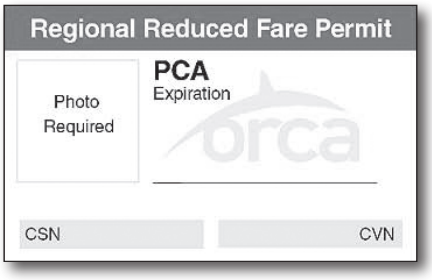

RRFP -Old Style

Both ORCA RRFPs and old style RRFPs are in circulation.

- Customers using old style RRFPs must pay with cash or a Metro ticket at the farebox. A paper transfer is issued, if requested.
  - Old style RRFPs are accepted on all regular and Custom Bus Metro routes.
- Qualifications for the permit are as follows:
  - Persons 65 or older.
  - Medicare card holders.
  - Persons who meet specific disability eligibility criteria. (Contact Metro Customer Service for further information.)
- RRFPs (all types) are available at the Customer Service Office (CSO) in the King Street Center.
- Customers may exchange a valid old style RRFP for an ORCA RRFP at no cost.

PCA RRFP

Some RRFP customers may require an attendant to travel with them due to a disability. Customers who require an attendant may apply for a Personal Care Attendant Regional Reduced Fare Permit (PCA RRFP). “PCA” will be printed on the face of the card for both “old style” and ORCA card RRFP passes.

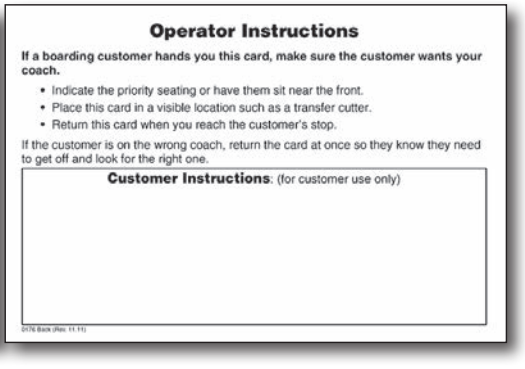

- A single card is issued only to the RRFP customer. Either the RRFP customer or the attendant may carry the one PCA RRFP.
- The PCA RRFP customer pays their $1.00 fare with cash, a Metro ticket valued at or above $1.00, ORCA E-Purse funds, or an ORCA PugetPass.
- The attendant is not charged a fare.
- Riders with a PCA RRFP are not required to have an attendant with them.

Old style PCA RRFP display a photo of the customer with the disability, have “PCA” printed in green, and an expiration date printed on the card face.

- Temporary permits expire on the last day of the month indicated.
- Older permits have a green “A,” “A86” or “A87” on the front. They are still valid.

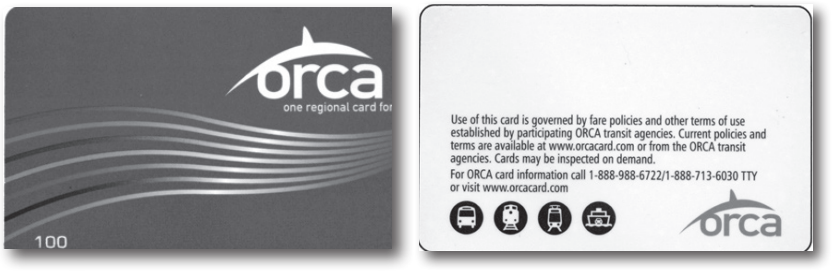

Special Assistance Cards

These cards are a training tool to help people with limited English proficiency as they learn to ride transit. Please follow the Operator Instructions on the card.

ORCA Card

ORCA uses smart card technology to automatically account for different fares and transfers on Community Transit (CT), Everett Transit (ET), King County Metro Transit (KCM), Kitsap Transit (KT), Pierce Transit (PT), Sound Transit (ST) and the Washington State Ferries (WSF). Customers can load transportation value on a personal ORCA card online, over the phone, by mail, at participating retail and ORCA Customer Service locations, or at ticket vending machines on ST rail station platforms and selected KCM transit centers. A customer with a registered ORCA card can also use the autoload option, a recurring fund transfer from a customer credit card for current pass or E-purse value.

- The ORCA card can only be used by tapping on the ORCA card reader and cannot be used as a flash pass (except RRFP's as explained above).
- If a registered card is lost or stolen, it can be reported to the ORCA Customer Service Office. Contact the office online, or a customer service agent will assist the customer by phone (206-553-3000) or in-person at a Customer Service Office to replace the card and restore the lost value, subject to the ORCA Terms of Use.

E-Purse Transfers

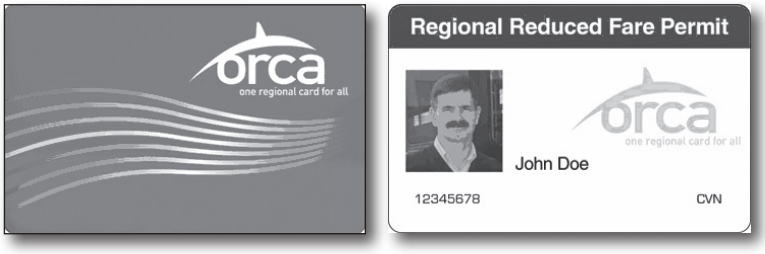

Transfers with ORCA E-purse are encoded on the customer's ORCA card at the time of payment. The transfer window is valid for two hours from time of payment and "XFER" will be displayed on the ORCA card reader when the card is tapped and the transfer window is valid. There is no display on the DDU when a valid transfer is recognized by the ORCA card reader.

ORCA Cards with a PugetPass

PugetPass is a product offered to ORCA card holders, allowing them to load a monthly pass, in varying face value, onto the ORCA card. When an ORCA card loaded with a PugetPass is tapped on the ORCA card reader, it will accept the card up to the fare value of the PugetPass. If the fare value of the PugetPass is less than the current fare, the ORCA system will either take the balance from the E-purse, if there is balance on the card (appearing as "Pass + $0.25" on the DDU for example), or an alert will display on both the ORCA card reader and DDU stating the balance due (e.g., "Owe $.25").

- If an ORCA card holder with a PugetPass pays a cash upgrade and requests a transfer, issue a Metro paper transfer for full fare. The transfer is good on all Metro service only.
- A monthly PugetPass loaded on an ORCA card may be used by a person other than the owner, but can be used by only one customer per trip.
- The pass is valid for a one calendar month period.
- The pass is not valid prior to the first day of the effective pass month.
- The pass is available in multiple fare values ranging in value from $.50 to $10.00.

ORCA Card Access Pass

Metro Monthly Access passes are purchased as an electronic pass on an ORCA card. The Access pass can be loaded to either a standard or Regional Reduced Fare Permit card with any passenger type (Adult, Youth, Disabled, low income or Senior).

- The customer taps the card against the ORCA card reader on fixed route buses or trains like any other ORCA card. The customer cannot tap the card on an Access van and does not need to present the ORCA card to an Access van driver.
- An Access pass is valid for full fare payment on King County Access vans, all regular Metro service, King County Water Taxi, South Lake Union streetcar, First Hill streetcar, Custom Bus service, ST Express, Link light rail, Sounder commuter rail and Seattle Monorail.

Husky ORCA Card

The Husky Card is issued to University of Washington faculty, staff and students. This pass contains the ORCA card smart chip and has “U-PASS is powered by ORCA” printed on the back. The card face is purple with the UW logo. The customer taps the card on the ORCA card reader.

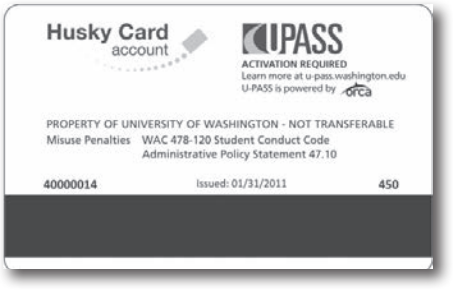

- Upon activation the Husky Card, loaded with *Business Passport*, is valid for full fare on all regular Metro and Sound Transit bus service, custom bus, South Lake Union streetcar, First Hill streetcar, Sounder commuter rail, Link light rail, King County Water Taxi and Seattle Monorail. The Husky Card is valid on Access with preapproval from Accessible Services.

- This pass in not valid on Metro Special Event Services, such as Husky service, the Puyallup Fair, etc.

UW Temporary Husky ORCA Card

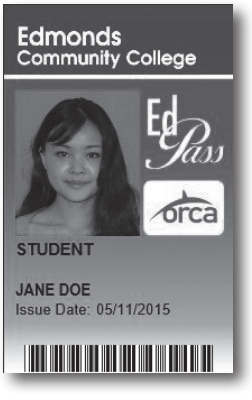

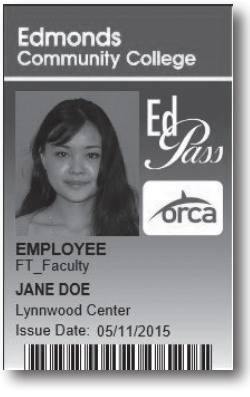

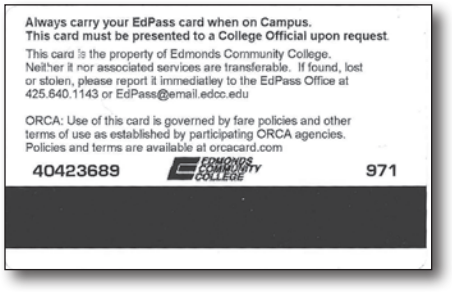

Issued each quarter with the applicable expiration date noted on the face of the pass;

- Upon activation, the temporary Husky card is valid for full fare on all regular Metro and Sound Transit bus service, custom bus, Sounder commuter rail, South Lake Union streetcar, First Hill streetcar, Link light rail, King County Water Taxi and Seattle Monorail. The Husky Card is valid on Access with preapproval from Accessible Services.
- This pass in not valid on Metro Special Event Services, such as Husky service, the Puyallup Fair, etc.

Edmonds Community College ORCA

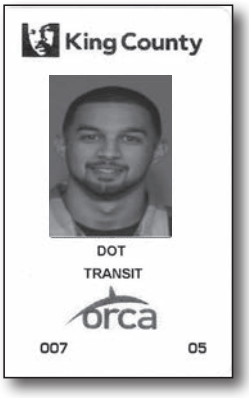

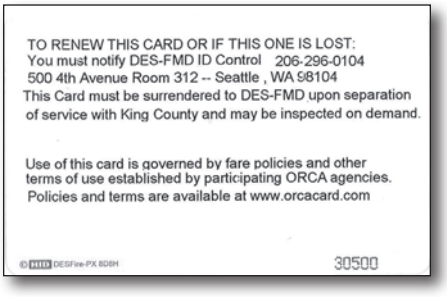

The Edmonds Community College ORCA “Campus Cards” are loaded with a Community Transit pass by the college, but card holders can register their card and load additional product on it to enable them to ride on Metro or Sound Transit. This is a legitimate ORCA card.

- Treat it like you would any other ORCA card.
- The DDU will display the appropriate message based on whether they have loaded additional product enabling the customer to ride on Metro or Sound Transit.

King County Employee ID/ORCA

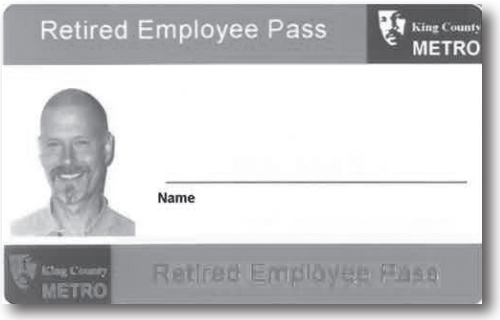

The ID/ORCA card is valid fare on regular Metro, ST Express, Pierce Transit, Everett Transit, Kitsap Transit and Community Transit bus services; Link light rail; South Lake Union streetcar; First Hill streetcar; Seattle Monorail; Sounder commuter rail; Rail Plus partnership with Amtrak; King County Water Taxi; and Kitsap Transit Fast Ferries. To pay fare tap the ORCA card to the on-board reader.

- The employee ID/ORCA is not valid on Metro Special Event Services, such as Husky service.
- ID/ORCA will be required for access to the Metro Employee Parking Garage, King Street Center, and Central and Atlantic Base.
- When using ST Sounder or Link light Rail, remember to tap prior to boarding and tap again after exiting.

Lost, stolen or non-functioning ID/ORCA cards can be replaced at the King County Administration Building, ID and Access Control, Room 312, 500 4th Avenue in Seattle. There is a $25 fee for lost cards. There is no charge for a stolen ID/ORCA card with an attending police report of theft, or for replacement of non-functioning cards.

Please avoid punching holes in or altering the new ID/ORCA to fit a lanyard. The card contains an antenna. If you cut, scratch, bend or punch a hole in the card you will damage the antenna and your ORCA card will not function properly. If you have further questions, please visit www.kingcounty.gov/ETP.

Retired Employee Passes

The Metro Retired Employee pass has an orange or red strip and displays a photo of the employee (see pass sample images). Retired employee passes do not carry a date sticker.

- This pass allows retired Metro employees to ride all Metro Transit routes in regular service only. The pass is *not valid* on other agencies including Pierce, Kitsap, Everett, Community, Sound Transit or the King County Water Taxi.
- They can be used only by the employee whose photo is on the pass.
- Employee passes are not valid on Custom Bus or Special Event Services.

Transit Go Ticket

Metro customers may purchase fare on their mobile devices using the Transit Go Ticket application. Customers will use this application displayed on their device as a flash pass. Transfers allowed for Transit GO Tickets are only between Metro buses, the same as cash transfers. Intersystem transfers are not allowed. Sound Transit Regional Express tickets are valid only on ST Regional Express service.

Metro Day Passes

Metro day passes are available and valid until 5:00 a.m. on the next day of service. The ticket specifies that it is a day pass and the 5:00 a.m expiration is shown on the bottom of the ticket screen. The tickets follow the transfer color, letter, and has the moving background like regular single ride tickets. Transfers are only allowed to other Metro fixed route service and Community Connections service. The day pass is not valid on Access service.

Access Single Ride Ticket

Access single ride tickets are available for Access eligible customers only and can be used on regular service buses.

Service Supervisor Employee Pass and Transit Security ID Card

All service supervisors carry a King County employee ID/ORCA card. They also carry an ID card issued by Transit Security. Supervisors have special authority to assist in emergencies when presenting appropriate identification. Their instructions must be followed by all operators.

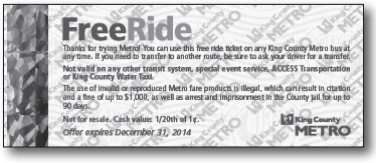

Police Officers

All police officers employed by law enforcement agencies in King County can ride free, at any time, by showing their police badge or police identification card.

Tickets

Free Ride Tickets

Free Ride Tickets are issued by Metro to promote ridership. Each ticket is valid for one trip with no zone or time restrictions on regular Metro service or Custom Bus service.

- A transfer is issued, if requested.
- They are not valid on special service.

Ticket Books

Ticket books are no longer sold to individual customers, however they are still available for purchase to qualifying Human Service agencies at both the full fare & discounted rates. The tickets are still accepted and are equivalent to a cash fare. When placed in the farebox, tickets will register based on their size.

- Tickets can be used only on regular Metro service, Metro-operated ST Express service, Access vans, and Custom Bus service.
- “Old” style tickets are grandfathered in at the value printed on the ticket (i.e. a $1.00 ticket will have a fare value of $1.00 toward current fare). Because of ticket size variation these “old” style tickets may or may not register in the farebox as full fare.

Introduction

The purpose of this section is to familiarize you with the procedures to follow in case of mechanical trouble while on the road. It will tell you what information you should have when calling the coordinator about a problem and perhaps allow you to diagnose some minor problems yourself. However, when using these guidelines, always use extreme caution and never risk your safety or the safety of your passengers. If you are unsure of any procedure included in this section, call the coordinator.

Accessible Equipment

Tie-downs

If the retractable seatbelts or securement belts jam or if the accessible device is tight against the rear seat barrier and tie down cannot be released:

- Push button at bottom of retractor boot to release locking mechanism.

Ramp

There are two types of ramps. One uses a strap and the other uses a hook to deploy.

- On coaches using a strap, if the ramp fails to deploy or stow, it is designed to be operated manually. Simply lift the ramp by the strap attached to the corner (remember to bend from the knees). When the ramp goes just past its vertical point, let go. The ramp will float the rest of the way by itself.
- On coaches using a hook, use your “T” key to open the smaller storage compartment over the right front wheel well, locate the large metal ramp key attached by a cable and velcro. Use the ramp key to lift the metal release bar at the left most corner of the ramp (corner nearest the passenger area). Place the hook in the slot and release the latch. If the ramp gets stuck partially deployed, it is likely the bus is too close to the curb. Do not force it open, doing so will damage the ramp. Instead, stow the ramp and move the bus at least four inches from the curb.

Battery/No Charge Light Comes on

When the battery warning light illuminates it is an indication the alternator is not charging.

- If not charging, secure the coach.
- Shut off the engine.
- Call the coordinator.

Bell

Doesn’t Ring

- Be sure the switch is on.
- Recycle by opening and closing the door.

Check the cords where they connect into the small terminal boxes. They are located behind the front and rear doors and behind the driver compartment. The cord may be stuck at one of those points.

- Free it by pushing the shaft on the cord back into the terminal box.
- If the bell doesn’t ring when pulled but rings when you open the front door, the switch may be stuck.
- Check the cords at their terminal boxes.

If the bell still doesn’t work, call the coordinator and explain what you have done.

Brake Problems

Slack Brakes or Brakes that Grab

- Call the coordinator.

Hot Brakes (Brakes Dragging)

If your brakes are exceptionally hot (smoking), park the coach in a safe location and call the coordinator.

- Call the coordinator for any other hot brake problem.

Brakes Locked

- Check to see that the rear door is completely closed.
- Be sure the fast idle switch is off.
- If you have the assistance of another operator, safely back the coach a few feet. This may release the brakes.
- Call the coordinator and explain what you have done.

Noise from Brakes (Grinding, Clunking or Squealing)

- Call the coordinator and describe the noise.

Directional Signals

Determine which is malfunctioning, the outside signals or the indicator on the dash board.

- Do this by parking the coach in a safe location, set the parking brake and put the transmission in neutral. Turn on your four-way flashers and check the lights from outside the coach.
- Call the coordinator and explain what you discovered.

Doors

If the Front Door Won't Close

- Be sure the air to the doors is turned on. The valve/toggle is located near the driver's left leg.
- Open and close the doors manually.
- Shut off the engine and restart.
- Cycle the lift or ramp.

If you are still unable to close the door, call the coordinator.

If the Rear Door is Inoperative

Park the coach in a safe location, set the parking brake and put the transmission in neutral.

- Check the interlock toggle switch located in the front compartment (above driver's seat) or side console to see that it is on.
- Check the air valve above the rear door to see that it is on.
- Check for obstructions in the door.
- Jiggle the doors; this may release them if they're stuck.

If you continue to experience trouble with the rear door, call the coordinator.

If Both Doors are Inoperative

- Check for adequate air pressure.
- Check to see that the air to the doors is turned on.

- Newer coaches have a unique computer system affecting the doors. In addition to above, recycle the coach and check for door obstructions.

If problems persist, call the coordinator.

Downed Wire

The following procedures have been established for all situations involving downed wire.

- Stop the coach immediately and notify the coordinator of the problem.
- Do not attempt to handle or touch the downed wire. All downed wire should be considered hazardous.
- Unless a fire occurs, everyone is to remain on the coach until a line crew arrives to remove the wires.
- In the event of a fire on the coach, jump clear of the vehicle.

Remember, do not touch the coach and the ground at the same time. Do not touch the coach after stepping onto the street.

Hot Engine

If a hot engine warning light illuminates and/or the temperature gauge registers 210 degrees or higher, this indicates the engine or power unit (trolley) is overheated. Park the coach in a safe location, set the parking brake and put the transmission in neutral.

- Check for visible coolant leaks.
- Shut the engine off and call the coordinator.
- If your coach continues to overheat, call the coordinator.

Use the service brake when stopping on hills. Only use the hill-holder momentarily while applying the accelerator to begin moving up hill.

- Do not hold a trolley coach with the power pedal as it will cause overheating in the chopper unit.
- Do not hold a diesel coach with the power pedal as it may cause the engine and transmission to overheat.

Farebox

If coins jam in the coin mechanism, press [0] key and slowly, repeatedly press the black de-jam button to allow the stuck coins to fall through. The de-jam button causes the throat of the coin mechanism to widen slightly while the [0] key activates the coin mechanism itself.

- If the jam remains after your efforts to clear it, call the coordinator who may ask you to put the farebox into bypass by pressing down on the bypass lever.
- If the bill transport becomes jammed, call the coordinator immediately.

Fuel Leak

Park the coach in a safe location, set the parking brake and put the transmission in neutral.

- Try to determine the location of the leak.
- Call the coordinator.

Fumes in Coach

Diesel, exhaust and electrical

- Call the coordinator.

Heater or Defroster

If there is no heat, but your blowers are working, check the position of the heat control. If the blowers aren't working, check to see that the switches are on.

- Check that there is not a "no" charge light, that the alternator is charging.
- Check to see that the front fresh air vents are closed.
- Call the coordinator and explain what you have done.

Hot Coach Emergency Procedures (Trolley)

See *The Book*.

Lights

Head Lights

If either one or both head lights are out, call the coordinator.

Tail Lights

If your tail lights are out, call the coordinator.

Head Lights and Tail Lights

If both head lights and tail lights are out, park the coach in a safe location, set the parking brake and put the transmission in neutral.

- Turn on the emergency flashers.
- Turn the run control switch off and on.
- Activate the dimmer switch a couple times.
- Call the coordinator and explain what you have done and what were the results.

Low Air

If the low air warning buzzer sounds or if the air gauge reading registers less than 80 psi, park the coach in a safe location, set the parking brake and put the transmission in neutral.

- Check for audible leaks in the brake system by holding the brake pedal all the way down and listening for a continuous draining of air while watching for a drop of pressure on the air pressure gauge.
- If there is no obvious air leakage, attempt to rebuild the pressure by moderately increasing the engine speed.
- If the air pressure remains low, call the coordinator and explain what you have done.

Low Oil

A low oil warning light illuminates and/or the buzzer sounds. Park the coach in a safe location, set the parking brake and put the transmission in neutral.

- Check the reading on the dash oil gauge and turn the engine off.
- Check the engine compartment for leaks and check the oil level.
- Call the coordinator and explain what you did.

Mirrors

If a mirror is broken or if the arm is bent to the point that you feel it is unsafe, call the coordinator.

Steering Malfunctions

Park the coach in a safe location, set the parking brake and put the transmission in neutral.

- Check the front tires for low air and call the coordinator.
- Call the coordinator for any steering problems.

Suspension

If your coach is “riding low” or leaning badly, call the coordinator.

- The coordinator may or may not direct you to continue on route if your tires are not rubbing the wheel well. Be cautious and drive slowly.
- If the tires are rubbing, park the coach in a safe location and call the coordinator.

Tires

Never drive a coach with a low or flat tire. Driving on an improperly inflated tire will overheat the tire and may cause a fire.
Park the coach in a safe location, set the parking brake and put the transmission in neutral.

Flat Tire

Call the coordinator and explain which tire is flat and if it is on or off the rim of the wheel.

Low Tire

Call the coordinator and report which tire is low and if it is leaking.

Loose Tread

If a section of tread has come off, if tread is slapping against the wheel well, or if the tire cord is showing call the coordinator.

Throttle

No Throttle Response

- Turn off the master switch, count to 5 and turn it back on. Slowly depress and release the throttle pedal fully 3 times.
- Start the engine; if the throttle is still not present notify the coordinator.

Hybrid Electric Vehicle

- If a HEV, Check System or Stop System warning light illuminates. Park your coach in a safe location, set the parking brake, put transmission in neutral, turn on the 4-ways, and turn off the coach.
- Call the coordinator.

Transmission

Transmission Slipping (ST Coaches only)

Park your coach in a safe location, set the parking brake, put the transmission in neutral and leave the engine running.

- Check the transmission fluid level in the engine compartment.
- Call the coordinator and report the fluid level.

Trolley Coaches

No-Con Audible Alarm (Trolley Coaches) and/or Low 700V (Purple LCD Screen)

It is normal for some dash lights and an audible beep to come on briefly when operating through a dead spot. However, in other instances when the no-con audible alarm (usually accompanied by the Low 700V Purple LCD Screen) comes on you must stop at once. You may have lost your poles. You may also see De-Wired LCD screen. Failure to stop could cause damage to the overhead.

- Check to see that the poles are on live wire.
- Check to see that the coach will move under its own power.
- Before using ESS, inform the coordinator when instructed to do so in the “Energy Storage System (ESS)” section of *The Book*.

Intermittent Power/Coach Jerking (Trolley Coaches) Stop System Indicator (Red), Check System Indicator (Yellow) or No Gen Indicator (Red Battery +/-).

- Visually check the shunt wires (if a closer inspection is needed rack poles). If you observe a broken shunt wire, call the Coordinator.
- If you have the Yellow Check System Indicator for more than 30 seconds, park in a safe location and call the coordinator.
- If you have the Red Stop System Indicator, immediately move the vehicle to a safe location if possible, shut down the coach, and call the coordinator.
- If you have the Red No Gen Indicator (Red Battery with +/- symbols on the dash cluster) and it remains illuminated, do not operate the vehicle. Call the coordinator.

Two-Way Radio

The need for a functioning radio is essential when operating a coach.

- If, during the pre-trip inspection prior to leaving the base, the radio is not operating correctly, contact the TCC with a PRTT. Use a neighboring coach radio, if necessary.
- If a radio failure occurs on the road contact the TCC by using another coach radio or by calling 206-684-1111 or 206-684-1705. These numbers should not be given out to the public.

Windshield Wiper

If one of your wipers gets stuck, turn the wiper knob off and back on.

- If it remains stuck, park the coach in a safe location, set the parking brake, put the transmission in neutral and try to free the arm by very gently pulling it back and forth. Be careful not to get your fingers in a pinch condition.
- If you are unable to make your wipers work again, call the coordinator and explain what you have done.
- Call the coordinator for other wiper problems such as bad wiper blades, broken wiper arm or wiper arm loose on the shaft.

Write a work order for the coach when you return to the base or ask your relief operator to write a work order on the coach.

Driver Display Unit (DDU): On Board Systems (OBS) and ORCA

The following procedures may assist you in resolving common problems in operating the DDU.

- Change Trip Manually:
  Press **Options** , press **Change Trip** , select trip from list, press **OK**.
- Set the Position Manually:
  Press **Options** , press **Manual Positioning** , select position from list, press **OK**.
- Change Destination Sign Manually:
  Press **Options** , press **Change Destination Sign** , input sign code, press **OK**.
- Switching Radio Mode Manually:
  Press **Options** , press **Change Radio Mode** , radio will change mode, press **OK**.
- Operator Log OFF for Coach Change & Return to Base:
  Press **Options** , press **Change Route/Run** , enter '**0**' and **OK**.
- Muting External Speakers:
  Press **Audio Settings** , press **Mute Exterior Announcements .**
- Single Fare Override:
  Press **Fares** , press **Fare Override** . After card is tapped, DDU will automatically return to default fareset.
- Group Fares:
  Press **Fares** , press **Group Fares** , press **Passenger Types**  to add passenger numbers to group fare, press OK and request that the customer tap their card.
- Fare Reversal:
  Press **Fares** , press **Reverse Last Transaction** , request that the customer tap their card again.

Coach Specifications

Vehicle	Active Count	Unit Size	Propulsion Mode	Model Year	Seating Capacity
37-New Flyer	60	35 Ft Standard	Hybrid	2014	27

80-New Flyer	85	60 Ft Articulated	Hybrid	2015, 2016	49
81-New Flyer	100	60 Ft Articulated	Hybrid	2016	57
82-New Flyer	100	60 Ft Articulated	Hybrid	2017, 2018	51
91-ST Gillig	3	40 Ft Standard	Diesel	2015	42
95-ST New Flyer	53	60 Ft Articulated	Diesel	2011, 2012, 2014	49, 56, 58
96-ST New Flyer	69	60 Ft Articulated	Hybrid	2004, 2008, 2010, 2011	56-58

All 1,479 coaches are low-floor and equipped with wheelchair-accessible ramps and air conditioning.

Transign Electronic Information Display Codes

Transign codes for each numbered route are listed on individual routes pages. The following is a list of transign codes for signage that are not associated with a particular route.
When OBS fails to display correct signage, use Delta ABC on the DDU or it using Transign keypad:

- Select either Dest A or Dest B or both, if operating more than one route.
- Enter corresponding routing code from the Route Book.
- Press enter.
